ANNEXURE

In the matter of an Industrial Dispute between Messrs. Hotel Embassy, 27 Princep Street, Calcutta-1 and their workman, Shri Gulab Khan represented by Calcutta City Eating & Refreshments Workers' Union, 249 Bepin Behari Ganguly Street, Calcutta-12, referred under G.O. No. 5569-I.R./IR/11L-274/68, dated 20th July 1968. (Case No. VIII-C-73/68.)

BEFORE THE FIRST LABOUR COURT, WEST BENGAL.

Present:

Shri S. P. BAGCHI, Judge.

AWARD

The Government of West Bengal, Labour Department, by its order No. 5569-I.R./IR/11L-274/68, dated 20th July 1968, referred under section 10 of the Industrial Disputes Act, 1947 (XIV of 1947), to this Court an Industrial Dispute Between Messrs. Hotel Embassy, 27 Princep Street, Calcutta-1, and their workman, Shri Gulab Khan represented by Calcutta City Eating & Refreshments Workers' Union, 249 Bepin Behari Ganguly Street, Calcutta-12, for adjudication on the undermentioned issue.

Issue

Whether the termination of service of Shri Gulab Khan, Head Cook, is justified? To what relief, if any, is he entitled?

The parties were duly served with notices of this proceeding and they appeared in Court. The Union filed its written statement in triplicate on 24th September 1968 and 18th December 1968 was ultimately fixed for filing written statement by the Company. On 18th December 1968, the parties were present and they submitted that they might come to a settlement if some time was allowed. Accordingly, 23rd December 1968 was fixed for orders. On 23rd December 1968, the parties filed a joint petition praying for

time to enable them to file the compromise petition. This prayer was allowed and 30th December 1968 was fixed for filing compromise petition by the parties. This day, the parties have placed on record a joint petition of compromise stating inter-alia that the case has been amicably compromised and praying that an award should be passed in terms of the said application. I have heard the parties and their learned Lawyers in the matter. They have all submitted that an agreement as evidenced by the joint petition of compromise has really been reached between the parties and that as there is no longer any dispute so far as this reference is concerned, it should be disposed of in terms thereof. I have looked into the petition of compromise and I have no manner of doubt that the case has been settled amicably as have been stated by the parties and their learned Lawyers. I consider the terms of the petition of compromise as fair, lawful and reasonable and I accept them. I, accordingly, pass a 'no dispute' award in terms of the petition of compromise which shall form a part of this award. The reference is thus disposed of.

Dictated and corrected by me.

Judge.

AWARD

The Government of West Bengal, Labour Department, by its order No. 2105-I.R./IR 11L-153/68, dated the 10th April 1968, referred to this Court under section 10 of the Industrial Disputes Act, 1947 (XIV of 1947), an industrial dispute relating to the undermentioned issue existing between Messrs. Calcutta Engineering Stores Co., 9 Clive Row, Calcutta-1, and their workmen represented by Burrabazar Zamadar Sangha, 90 Lower Chitpur Road (197 Rabindra Sarani), Calcutta, for adjudication.

Issue

Whether the dismissal of Shri Shanti Nath Roy is justified ? To what relief, if any, is he entitled?

The parties duly filed their written statements and led evidence in support of their respective contention.

The written statement on behalf of the worker concerned appears to have been filed by Shri R. C. Pandey, Assistant Secretary of the Burrabazar Zamadar Sangha (hereinafter referred to as the Sangha). The Company at the very outset challenged the locus standi of Shri Pandey to file the written statement on behalf of the worker concerned. Its contention was that the said Sangha had no representative character in so far as the worker Shri Santi Nath Roy was concerned. The evidence, however, of the Company's own witness Shri Ram Bilas Pathak (O.P.W. 1) condemns it. He stated on oath that all the employees of Messrs. Calcutta Engineering Stores were the members of the Sangha. It would also appear from the evidence of the worker concerned that he was a member of the Sangha and that the said Sangha had taken his matter to the Labour Commissioner, West Bengal and had also filed this case in this Court according to his instruction and authority. There is also another fact. It would appear from the award of the Fifth Industrial Tribunal published in the "Calcutta Gazette" of April 28th, 1966, that the said Sangha had also represented Shri Bali Karan Singh who was also an employee of the Company in the matter of an industrial dispute between the said Company and their workmen. On a consideration of the evidence on record, I have no hesitation in rejecting the contention of the Company and I accordingly held that Shri R. C. Pandey was competent enough to represent the worker concerned in this dispute.

This brings us to the facts of the case. Admittedly, the workman concerned had entered the services of the Company as far back as in the year 1961, and he was in the permanent cadre. He complained that on and from 23rd May 1967, the management had suddenly terminated his service without showing any reason. His grievance was that although he had requested the management thereafter several times for reinstatement and further requested it to let him know the reason for his dismissal, there had been no response from that end. He characterised the order of termination as illegal, arbitrary, and thoroughly unjustified. The stand of the Company, however, was that the workman concerned had left the services of his own accord on 23rd May 1967, for better prospect elsewhere and collected his dues in full and final settlement. It alleged further that the services of Shri Roy had not been terminated as alleged and that the workman concerned had never again called at its office nor had he ever approached it with a prayer for further employment since leaving its services of his own accord. And its suggestion to the worker concerned was that he had been serving at Central Engineering Co., 9 Clive Row, since 23rd May 1967. The question, therefore, is which of the versions is true. The story of the Company was undoubtedly on right lines but the evidence proves it hollow. It is somewhat queer that despite the suggestion, neither a soul nor a scrap of paper could be made available to this Court from Messrs. Central Engineering Co. and there was no explanation. Instead, the Company wanted to fall back upon the evidence of their erstwhile and lone witness Shri Ram Bilas Pathak (O.P.W. 1) and that again proved to big a pill for it to swallow. On a consideration of the evidence of Shri Pathak I have no manner of doubt that he was not a witness of truth and was completely under the thumb of the management. Indeed, he betrayed himself when he said that he had come to depose for the management without being summond although doing that was an unlawful act according to his own showing. He hopelessly prevaricated and his evidence is inconsistent and it bristles with contradictions. He stated, to quote, in his evidence in examination-in-chief "Santi Babu gave up the service of the Company of his own accord. I had talk with Santi Babu before he gave up his service under the Company. He told me that he would give up the job of the Company if he could get better job with better salary elsewhere. Santi Babu gave up his service under the Company in March 1967. On the day Santi Babu gave up his service under the Company he told me that he had got better job elsewhere and that he would give up his job under the Company that day. Santi Babu told me that he had also received all his dues from the Company after accounting and that he was going away giving up his job under the Company". But he was constrained to say in his evidence in cross-examination that "Those who join our Company tell me that they have joined and the persons who give up their job under the Company tell me that they have given up their job if I have friendship with them. Shri Santi Nath Roy is not my friend". If that was so, there could have been no occasion for the alleged talk between him and Shri Santi Nath Roy and it is difficult equally to see why on earth of all persons such a person shold be selected by Shri Roy for confiding such matters to him. It is peculiar that inspite of the alleged talk and the suggestion of the Company he did not know in which Company or where Santi Babu secured his better job after he ceased to be in the services of Messrs. Calcutta Engg. Stores, although such knowledge would have been the most natural in the circumstances of the present case—if only his story were true. This is not all. The climax reached when he said that he had never seen Santi Babu at 9 Clive Row after he had given up his services under the Company. This shakes the story of the Company to its very depths and indeed completely negatives it. As against this infirm and inconsistent evidence which makes the story of the Company all the more improbable and incredible, we have the positive evidence of the worker concerned that he had never given up his services of his own accord nor collected his dues in full and final settlement of his claim. He categorically stated that the Company had illegally terminated his service without showing any reason whatever with effect from 23rd May 1967, verbally and that although he had approached Shri Nemai Ch. Seal and Probhas Kr. Seal several times thereafter for reinstatement, nothing effective was done in the matter. He also denied that he had been serving under Messrs. Central Engineering Co. since 23rd May 1967. But neither the Seal Babu

nor anybody competent enough in this behalf was cared to be examined in the case for reasons best known to the Company but not very far to seek. Admittedly, Shri Pathak (O.P.W. 1) upon whom so much reliance was placed, had no knowledge first hand of what had passed between the worker concerned and the Company and although he purports to have said what he had heard from Shri Santi Nath Roy, no suggestion in that behalf was ever offered to Shri Roy. Much reliance was placed on the cash voucher (Ext. A) and it was argued that that would prove the case of the Company to its hilt. This is, however, not so and that would appear from the cash voucher and the endorsement made by the worker concerned thereon read and considered in the light of the relevant evidence on record. To appreciate, it is necessary to refer to the said voucher and the endorsement thereon. The cash voucher is dated 23rd/24th May 1967 and it runs as under :—

CASH VOUCHER

CALCUTTA ENGINEERING STORES CO.
9 Clive Row, Calcutta-1

Rs. 110/00 By cash 23/24-5-1967

Debit. Establishment A/C.

Paid to Santi Nath Roy being his Salary for the month of May, 1967 in full and final settlement of his dues up-to-date, leaving no other claim in future		
Rupees One Hundred and Ten only.	110	00
Total Rs.	110	00

The endorsement of the worker concerned on the back thereof is as follows :—

"Received for the month of May 1967
Santi Nath Roy. 23-5-67"

The endorsement along with the signature is on a revenue stamp of 10 P. The evidence of the worker concerned was that the writing "in full and final settlement of his dues up-to-date, leaving no other claim in future" had not been there, when he had signed on the back of the voucher and that from his endorsement it would appear that he had only received the salary for the month of May 1967. There is no counter evidence and even Shri Sudhir Mitra who was an employee of the Company and had admittedly written that voucher (Ext. A) was not cared to be examined in the case and again there was no explanation. Being so, the evidence of Shri Roy has to be accepted. In the state of the entire evidence on record, the voucher, couched really in the language it was and coupled with the receipt furnished by the worker concerned thereon, could not certainly be construed to mean what the Company desired it to be. It is somewhat extraordinary that the Company did not obtain a letter of resignation from the worker concerned. It should not have proved difficult for the Company to obtain such a letter in the circumstances of the case if really its contention were true. After all that had happened between the Company and its worker Shri Bal Karan Singh (vide the award published in the "Calcutta Gazette" to which reference has already been made), this much of precaution could certainly be expected from the Company. If really the worker concerned had relinquished his job securing a better employment in the Company located in the very same building where the office of the contending Company was located and if really he had been serving there since then, it is really difficult to see why he should take all the trouble of moving his Union and the Government in the matter and hazard a costly litigation which might prove equally difficult for him. That indeed would not have been compatible with the course of ordinary human conduct. The worker concerned was a petty servant doing petty jobs at his master's bidding and he appears to have been twice blessed with a family consisting of 6/7 dependents and a very lean purse in these hard days. On a consideration of the facts and circumstances of the present case and of the evidence on record, I am inclined therefore to accept the version of the worker concerned as true.

This brings us to the question "whether the dismissal of the worker concerned was justified or not". Now the Company did not and as a matter of fact could not, make any attempt to justify this. Admittedly, there were no charge-sheet, no departmental enquiry, and no notice of termination. It follows, therefore, that the dismissal of the worker concerned was not justified and lawful. Ordinarily, a worker whose order of dismissal has been found to be unjustified and unlawful is entitled to get back his employment with all back wages and benefits for the period of his forced unemployment. Nothing could be shown to me on behalf of the Company justifying a departure from this. I would accordingly direct that the worker concerned be reinstated in service with full back wages for the period from the date of the termination of his services to the date of his actual reinstatement by the Company and other benefits to which he would have been entitled had his services been not terminated, within a month from the publication of this Award in the "Calcutta Gazette". This is my award.

AWARD

This is a petition under section 33A, Industrial Disputes Act, by by petitioner-workman against the O. P.-Company and was filed before the Seventh Industrial Tribunal.

After service of usual notice the O. P.-Company filed its written statement to contest the case.

The case has been transferred to this Court by learned predcessor's order No. 14, dated 18th August 1967.

The petitioner-workman's case is that he is an important organiser of West Bengal Engineering Workers' Union and because of his trade Union activities the O. P.-Company bore a grudge against him. The workman demanded Puja Bonus equivalent to two month's wages and on 1st October 1964 the workman petitioned to the O. P.-Company for granting Puja Holidays with pay otherwise for keeping the factory open during the Puja holidays and the petitioner-workman took initiative in this matter. The O. P.-Company served a charge-sheet upon on 1st October 1964, the charges contained being false. He was suspended for a week from his duty. This was done for stopping the trade union activities of the petitioner-workman and to terrorise other workmen as such. The petitioner-workman filed an explanation to the charge-sheet on 2nd October 1964 and refuted the charges alleged. He also sent a letter from Shri Anil Ganguli to the O. P.-Company, in which he denied the allegation that the petitioner-workman was gossiping with him and others. The O. P.-Company discharged the petitioner-workman by a letter, dated 10th October 1964, with retrospective effect since 1st October

1964. An industrial dispute between the Company and its workmen was pending before the Seventh Industrial Tribunal, at the relevant point of time, the order of reference being No. 3537-I.R., dated 6th August 1962 and 4388-IR, dated 16th October 1964. The O. P.-Company discharged him without obtaining permission or approval of the Seventh Industrial Tribunal and thus violated the provisions of section 33 of the Industrial Disputes Act. The petitioner-workman prays for reinstatement and back wages.

The O. P.-Company's case is that a charge-sheet was served upon the petitioner-workman on 1st October 1964 to which he replied by submitting an explanation as such. The explanation was not considered satisfactory and the petitioner-workman was directed to attend the domestic enquiry to be held on 8th October 1964 by the O. P.-Company's letter, dated 6th October 1964. The petitioner-workman participated in the domestic enquiry and signed the enquiry proceedings. The Enquiring Officer found the petitioner-workman guilty of the charges framed against him and on the basis of his findings the petitioner-workman was dismissed from his service under the O. P.-Company. It is however admitted that the O. P.-Company did not file any petition under section 33(2)(a), Industrial Disputes Act, as required. It is denied that the O. P.-Company bore any grudge against the petitioner-workman or took any steps for stopping his trade Union activities and to terrorise other workmen.

The following points therefore arise before me for determination at the time of hearing of the present case:—

Points for determination

(1) Is the petition maintainable?

(2) Is the petitioner-workman entitled to any benefit of reinstatement and back wages as claimed?

Decisions

Point No. 1:

The maintainability of a petition under section 33A would depend upon the fact of compliance or otherwise of the provisions of section 33, Industrial Disputes Act. It has been admitted in the written objection of the O. P.-Company itself that the O. P.-Company did not file any petition for approval of the order of dismissal against the petitioner-workman under section 33(2)(b), Industrial Disputes Act, before the Seventh Industrial Tribunal. An industrial dispute referred to the Seventh Industrial Tribunal between the O.P.-Company and its workmen under section 10 Industrial Disputes Act was pending at the relevant point of time. So this petition under section 33A Industrial Disputes Act, is maintainable.

This point is so answered in the affirmative.

Point No. 2:

It is well-settled law that when the O.P.-Company does not comply with the provisions of section 33 at the time of dismissal of a workman during the pendency of a dispute under section 10 before the Industrial Tribunal or the Labour Court, the Industrial Tribunal or the Labour Court shall examine the evidences on record at the time of the domestic enquiry and shall also examine the evidence in support of the charges adduced at the time of hearing of the case and come to a finding as to charges levelled against the workman on the basis of such evidence. The learned lawyer for the O.P.-Company urges that there has been a domestic enquiry and the petitioner-workman himself has signed the enquiry proceedings. The O.P.-Company has examined the Enquiring Officer as O.P.W. 1. He has proved the enquiry proceedings Ext. B in his handwriting and under his signature. The petitioner-workman as well as O.P.W. 2 signed the enquiry proceedings. On a perusal of the enquiry proceedings Ext. B, I find that this two comprises only of the statement of the petitioner-workman himself. The petitioner-workman did not admit the charges alleged at the time of the domestic enquiry. The learned lawyer for the petitioner-workman urges that as there was no prosecution evidences in support of the guilt on the basis of which the charges were framed at the time of the domestic enquiry, the findings of the Enquiring Officer accepting the petitioner-workman to be guilty of the charges framed is completely perverse as there is no evidence on record in support of the charges. The examination of the petitioner-workman first and asking him to rebut the charges framed is clearly in violation of the principles of natural justice and on that ground also the domestic enquiry is vitiated. It would appear from the deposition of the Enquiring Officer O.P.W. 1 and his findings Ext. C that he has relied upon the letter Ext. A(2) at the time of coming to his findings. This letter Ext. A(2) was written by one Anil Ganguli to the proprietor of the O.P.-Company on the date of the enquiry 8th October 1964. There is no indication in the enquiry proceedings as to how this letter Ext. A(2) became a part of the record at the time of the domestic enquiry. The Enquiring Officer O.P.W 1 states in reply to court's question that he enquired from the petitioner-workman after the second letter of Anil Ganguli was produced before him as to what the delinquent would state as to the contents of that letter which has not been recorded in the enquiry proceedings. This is another ground which goes to show that the enquiry proceedings has not been properly recorded and this would also vitiate the domestic enquiry.

Under the circumstances, I must now proceed to examine the evidence adduced in support of the charges framed against the petitioner-workman as I have already indicated. The learned lawyer for the O.P.-Company relies upon the decision reported in 1963-II, LLJ 392 for the purpose and certainly that is the law.

The O.P.-Company has examined four witnesses in support of its case of which O.P.W 1 was the Enquiring Officer. He does not depose as to the charges alleged against the petitioner-workman. O.P.W. 2 also does not directly depose as to the guilt of the petitioner-workman and merely states how Ext. A(1), another letter sent by Anil Ganguli was signed by him. He has stated that he went to O.P.W. 3 Anil Ganguli with a letter of the

petitioner-workman for getting it signed by O P W. 3. O.P.W. 3 told him that he would sign if another workman Kalida asked him to sign as such. He could not even say whether the letter Ext. A(1) was written or not at the relevant point of time. He has even denied his own signature in the enquiry proceedings Ext. B., though that is the specific case of the O. P.-Company. O.P.W. 3 Anil Ganguli is the most material witness. He admits his own signature in Ext. A(1) stating that he was never gossiping with the petitioner-workman at the relevant point of time. He also states even in his examination in chief that the letter is in his handwriting. He next proves the letter Ext. A(2), dated 8th October 1964, wherein he states that the previous letter Ext A(1) was obained from him on a misrepresentation For the first time at the time of his deposition he states that the letter he signed at the instance of O. P. W. 2 was stated to be relating to the Union on the bonus issue. This fact has not been stated in the letter Ext. A(2) alleged to have written afterwards by him. It would appear from the letter Ext. A(2) that the proprietor himself has found him bedridden, but in his cross-examination he states that the proprietor of the O.P.-Company did not go to his house. He however volunteers that Mr. Sen, Manager, went to his house and he wrote the letter Ext. A(2) of his own accord and was never asked by anyone to write this letter. On being re-examined he contradicts himself and states that Mr. Sen, Manager, went to his house for enquiries when he told the fact relating to the petitioner-workman to him and he asked O.P.W. 3 to write a letter as such to the management. In his cross-examination, thereafter, he admits that at the time of the writing the letter Ext. A(2) Mr. Sen was present in his house. In his first cross-examination he states that the letter Ext. A (2) was sent by post. In his cross-examination after re-examination he states that he does not remember whether he sent the letter by post or through a messenger or carried it himself. It is thus clearly admitted that Ext. A(2) was obtained on a request by the Manager on disclosure of some facts by O. P. W 3 to him, when the Manager went to him for some enquiries. O. P. W. 3 has not stated what was the nature of the enquiries. The Manager has not been examined. I have already indicated above the contradiction in the statement of O. P. W. 3 himself and the contents of the letter Ext. A(2). In his cross-examination O P. W. 3 states that he is inclined to put his signature in a letter even without check of the contents of a request by a trusted person and Kalida was the only such trusted person. It is in evidence from O P.W. 2 as well as O. P. W. 3 that Kalida asked O. P. W 3 to put his signature in the letter Ext. A(1) and so the letter was signed as such.

On the above discussions of evidence, there is no reason to accept that Ext. A(1) has been manufactured for the purpose of defence at the time of the domestic enquiry. It rather appears that Ext. A(2) was obtained at a later stage for destroying the effect of Ext. A(1).

It would be interesting to consider the charges contained in the charge-sheet. These are—(1) that the petitioner-workman was gossiping with Anil Ganguly and others on 30th September 1964 at 5-30 p m.; (2) that the petitioner-workman sent Basudev Nath, one of his senior vice-man, who was engaged for some urgent work to be completed by that week, in connection with some Union work and (3) that he has been verbally warned by him on previous occasion.

Charge No. 3 does not relate to any guilt of the delinquent workman on which evidence has been adduced. As to charge No. 2 the proprietor of the O.P.-Company has stated as O. P. W. 4 that one Basudev Nath was sent during duty hours on 1st October 1964 for serving a letter of the Union to some one and Dhananjoy admitted the fact before him. There is no document regarding the admission by the petitioner-workman as to this charge. So the O.P.-Company has also failed to prove the allegations relating to charge No. 2.

I have already discussed in details the basis of the allegations relating to charge No. 1. The only evidence comes from the proprietor of the O. P.-Company O.P.W. 4. The petitioner-workman has denied the allegation as P.W. 2. He has also relied upon the letter Ext. A(1) sent by O.P.W. 3. O.P.W. 3 has definitely stated otherwise by subsequent letter Ext. A(2). But on a discussion of his evidence and other circumstances I am of opinion that the Ext. A(2) was obtained afterwards from O.P.W. 3 by the Manager of the O.P.-Company and so cannot be believed. Be it noted that in the original charge-sheet Ext. 2 it was definitely stated that the petitioner-workman was gossiping with O.P.W. 3 and others but after writing of the letter Ext. A(2), he seems to have been favourably treated. The proprietor of the O.P.-Company O.P.W. 4 states in his examination-in-chief that Dhananjoy who is a latheman, to leave his machine and found him gossiping with Anil Ganguly. In his cross-examination he admits himself stating that Dhananjoy was talking to Anil Ganguly, who was, however, doing his work. Certainly this statement is a departure from the charge alleged in charge No. 1 against the petitioner-workman and the O.P.-Company's eagerness to hold O.P.W. 3. I accept that Ext. A(2) has been obtained from the O.P.W. 3 afterwards and does not reveal the truth. I am inclined to rely the previous letter Ext. A(1) and in so doing I disbelieve the charge No. 1 levelled against the petitioner-workman.

Thus I find that the petitioner-workman is not guilty of any of the charges framed against him and so his dismissal cannot be supported even on the basis of evidence adduced before me at the time of hearing of the present case. The learned lawyer for the O.P.-Company has relied upon the decision reported in 1960-I, LLJ. 587 to urge that even if the case be found in favour of the petitioner-workman there should be no order of reinstatement passed in his favour and he should be entitled to only damages. I find no substance in this contention as the plea that the employer has lost confidence in the dismissed employee should not ordinarily be exaggerated as has been decided in the abovesaid decision and the petitioner workman was not holding any position of special confidence in his service under the O.P.-Company.

The petitioner-workman is, therefore, entitled to reinstatement and back wages.

This point is so answered in the affirmative.

An award be passed accordingly holding that the petitioner-workman is entitled to reinstatement and back wages and holding that the order of dismissal passed against the petitioner-workman is not justified and he is entitled to reinstatement and back wages and also directing the O.P.-Company to cause reinstatement of the petitioner-workman within one month from the date of publication of this award in the "Calcutta Gazette" and to pay back wages to him since 1st October 1964 till the date of reinstatement as such, as if his service was never terminated.

This is my award.

The Government of West Bengal, Labour Department, by its order No. 3914-I.R./IR/10L-177/68, dated 1st July 1968, referred this industrial dispute between Messrs. Kejriwal Iron & Steel Works, 12/2 Girish Ghosh Road, P.O. Belurmath, Howrah, and their workman, Shri Abani Kumar Das, represented by Iron & Steel Workmen's Union, 63 Shibgopal Banerjee Lane, Ghusury, Howrah, to this Tribunal under section 10 of the Industrial Disputes Act, for adjudication on the following issue :

Issue

Whether the refusal of employment to Shri Abani Kumar Das is justified? To what relief, if any, is he entitled?

After several adjournments on the prayers of the parties, the case was fixed for hearing on 30th December 1968. On 14th December 1968 the parties filed a joint petition of compromise stating that they have settled their dispute amicably out of Court on certain terms. As none was present on behalf of the Union on 14th December 1968, the said joint petition of compromise was directed to be put up on 30th December 1968 for hearing and orders, as that was the date already fixed for hearing of the main case. On 30th December 1968 neither the parties nor their lawyers appeared or moved their joint petition of compromise which was filed on 14th December 1968. In these circumstances, I think that their dispute has ceased to exist at present. Accordingly, I pass a 'no dispute' award in the present case.

This is my award.

There having existed an industrial dispute between Messrs. Employees' Union, 38/1 Durga Charan Mitter Street, Calcutta-6 (hereinafter called the Union), the Governor was pleased to frame an issue (hereunder given) and refer the said dispute for adjudication to this Tribunal in exercise of the powers conferred upon him by section 10 of the Industrial Disputes Act, 1947, and under Government of West Bengal, Labour Department, order No. 2546-I.R./IR/11L-180/67, dated 14th June 1967.

Issue

Whether the termination of service of Sarbashri Ramdular Dikshit and R. K. Barman is justified? What relief, if any, are they entitled?

Stated in short, the Union's case is as follows:—

Messrs. Samuel Osborn (India) Private Ltd., or the Company is a business organisation having its Head Office at 1 Acharyya Jagadish Bose Road, Calcutta-20, and engaged in trading steel, small tools and Zimco Machines. Shri Ramdular Dikshit (hereinafter called Shri Dikshit) and Shri R. K. Burman (hereinafter called Shri Burman) were working in the godown as mazdoor and mechanic respectively. Shri Dikshit was originally appointed in September 1964 and subsequently confirmed on 1st June 1966 subject to his being declared fit by the Company's Medical Officer. The Company's Medical Officer examined Shri Dikshit and declared him fit subject to his undergoing hernia operation. Shri Dikshit got his hernia operated upon and on examination thereafter was declared fit by the Company's Medical Officer on 25th August 1966. The Company by a letter, dated 29th June 1966, terminated the services of Shri Dikshit from the Company. Shri Dikshit approached the management and requested the management to allow him to resume his duties, but without any effect. By his letters, dated 5th October 1966 and 18th October 1966, Shri Dikshit drew the attention of the Director and General Manager of the Company to his demands or request but it did not produce any better result. The Company by its letter, dated 28th October 1966, expressed its inability to do anything in the matter. Thereafter Shri Dikshit referred the matter to his Union which in its turn wrote to the Labour Commissioner but the Company did not reconsider their decision. Hence this reference.

Shri Burman was a mechanic in the Company. Shri Burman was given a letter, dated 31st January 1967, by the Company terminating his services in accordance with paragraph 6 (a)(ii) of the Company's Service Rules. The Company by its letter tried to make this a case of termination simpliciter which in fact it was not. Since the beginning of January 1967, the Company for reasons best known to it issued charge-sheets one after another containing false and mysterious and motivated allegations. Shri Burman gave replies to them. The Company having failed to achieve its desired goal of eliminating Shri Burman from its services on charge of misconduct, took shelter under rule 6(a)(ii) aforesaid. The Company's action was misconceived and the said rule was inapplicable in this case. The Union then took up the matter of the illegal termination of service of Shri Burman with the Labour Commissioner. There was an attempted conciliation which was unproductive. In its letter, dated 3rd April 1967, the Company admitted that the termination of service of Shri Burman was a case of dismissal. The action taken by the Company upon Shri Burman is nothing but colourable exercise of the powers given under the Service Rules. After admitting it to be a case of dismissal, the Company was under obligation to institute disciplinary proceedings and as it did not do so, the action taken is illegal too.

After Shri Dikshit underwent an operation in terms of the letter of confirmation and doctor's advice, the Company was under an obligation to allow him to resume his duties after he was declared fit. Hence, the action taken by the Company against Shri Dikshit cannot be supported.

The Union prayed that in the circumstances mentioned above, the Tribunal should pass an award directing the Company to reinstate Shri Dikshit and Shri Burman with full compensation for the period of their forced unemployment.

The Company filed its written statement in reply. In the matter of Shri Dikshit the Company stated that he was appointed on probation as a a labourer in the Company's godown from September 1, 1965. On June 1, 1966, he was appointed as a permanent staff of the Company as a labourer subject to his obtaining a fit certificate from the Company's doctor. The work of Shri Dikshit entailed on occasions the carrying and handling of heavy loads. In this background Shri Dikshit was examined by the Company's doctor who did not certify him fit for the work he was required to do. In consequence thereof, the Company discharged Shri Dikshit by a letter, dated June 29, 1966, after giving him one month's notice. The Company further stated that as Shri Dikshit was discharged on the ground of his being medically unfit, the Company is willing to consider his case for employment when appropriate vacancy arises subject to his being certified medically fit for work at that time.

In regard to the case of Shri Burman the Company stated that he was appointed on probation from December 1, 1964, as a mechanic and was confirmed with effect from July 1, 1965, in a permanent post. On or about 16th August 1965, the authorised representatives of the Company's employees and the Company had agreed by and between themselves that certain rules called Employees' Service Rules, should govern the employment of the workmen of the Company. In accordance with rule 6(a)(ii) of the said Employees' Service Rules, the Company by a letter, dated January 31, 1967, terminated the service of Shri Burman. The said rules were not misconceived and were not inapplicable in the case of termination of service of Shri Burman. Therefore, the termination of service of Shri Burman was neither illegal nor void.

The Company denied other allegations made by the Union in its written statement. The Company submitted that the issue should be answered in the affirmative in the first instance and the answer to the general issue should be in the negative.

In support of its case, the Union examined two witnesses, namely, Shri Lakshmi Narayan Dey, General Secretary of the Union and Shri Rabindra Kumar Burman, an aggrieved workman. The documents filed by the Union have been marked Exts. 1 to 12. The Company, on the other hand, did not care to examine any witness, but placed reliance on the documents which have been marked as Exts. A to F. For the sake of convenience, this case can be devided into parts : first part being the case of Shri Dikshit and the second part being the case of Shri Burman. I shall deal with the case of Shri Dikshit first.

Shri Ramdular Dikshit

So far as the relevant facts are concerned, nothing much is in dispute. It is the case of the Union as well as that of the Company that Shri Dikshit was appointed a probationer by the Company by its letter, dated 31st August 1965. Thereafter, he was given permanent appointment by the Company by its letter, dated 31st June 1966. The former letter is Ext. C and the latter one is Ext. D. Shri Dikshit was given permanent appointment subject to a number of conditions of which condition No. 1 is pertinent to this case. The condition reads as follows :—

"Medical fitness certificate from the Company's doctor is necessary."

The Union's case is that the workman was examined by the Company's doctor and he found that the workman was suffering from hernia which required a surgical operation. Accordingly Shri Dikshit underwent an operation and he was re-examined by the Company's doctor who found him fit for his duties. But the Company terminated his service by its letter, dated 29th June 1966 (Ext. E). The Company's case is that the workman did not produce Medical Fitness Certificate required of him from the Company's doctor. So, he could not be appointed to the permanent staff of the Company. The Union contends that Shri Dikshit underwent hernia operation. But Shri Dikshit has not come to the box to give evidence to that effect nor any Medical Certificate has been produced, regarding his harnia operation. The Surgeon who allegedly carried the hernia operation has not been examined in this case. It is not the case of the Union that Shri Dikshit was not suffering from hernia. The Company submits that the duties of Shri Dikshit involved moving of heavy loads occasionally. Therefore, a man who was suffering from hernia was not fit for the duties which Shri Dikshit was required to. In his letter, marked Ext. F, Shri Dikshit wrote to the Company—"In the month of August 1966 I got myself operated upon at my own expenses and was given fit certificate by the Company's doctor on 25th August 1966". This statement of Shri Dikshit has not been supported by cogent evidence. Moreover, the statement above referred to clearly indicates that medical fitness certificate from the Company's doctor was given to Shri Dikshit on 25th August 1966. That certificate has not been produced nor the Company's doctor has been called to the witness box. In the circumstances, it is not possible for this Tribunal to hold, at least on the basis of the evidence adduced, that the doctor of the Company found Shri Dikshit medically fit and issued certificate to that effect on 25th August 1966. My attention is drawn by Shri Pathak who argued the case for the Union that in Ext. H, dated October 26, 1966, the Company stated—"Please note that you will be given first chance if any vacancy arises in future date". Shri Pathak wants the Tribunal to construe from that that the Company admitted that Shri Dikshit was medically fit and so it was prepared to give him first chance if any vacancy arose in future.

It is not possible for me to construe that sentense in the manner in which Shri Pathak wants me to do. The Company obviously meant that in future if he was found medically fit Shri Dikshit would be given first chance in case of a vacancy.

Shri Pathak argues that the certificate issued by the Company's doctor went straight to the Company and was not handed over to the workman ; so the workman was not in a position to produce the same. Shri Pathak submitted that it was the bounden duty of the Company to produce the certified issued by the Company's doctor. But Ext. F categorically mentions that the workman was given a fitness certificate by the Company's doctor on 25th August 1966. Ext. F is a letter written by the workman himself. If the workman did not know what certificate the Company's doctor issued and when he issued, how could he have given the date on which the Company's doctor issued fitness certificate ? Therefore, the argument of Shri Pathak that the medical certificate issued by the Company's doctor was sent straight to the Company without the knowledge of the workman, cannot be accepted. Permanent appointment was given to Shri Dikshit on condition that he would produce fitness certificate from the Company's doctor. Shri Dikshit could not do so. Therefore, in my opinion the Company was justified in terminating his services by expressing its inability to retain him in service. Of course in Ext. E, the Company stated that the Company's doctor in his medical report, dated 27th June 1966, found him medically unfit for his duty. This certificate has not been produced. The Union also did not call for the production of this certificate. The onus of proving his case was squarely on the shoulder of the workman or rather the Union which represented him. I cannot make any adverse presumption against the Company. Not only the Company but also the workman failed to produce the medical certificate allegedly issued by the Company's doctor. Thus the evidence being equally balanced, the party on whom the onus lies to prove its case naturally suffers the consequences. Hence, in my opinion, the termination of service of Shri Dikshit is justified and so he is not entitled to any relief.

Shri R. K. Barman

Admittedly Shri Barman was a permanent employee of the Company as a mechanic. It is also admitted that his services were terminated by the Company by its letter, dated 31st January 1967 (vide Ext. K). This letter is a very short leter and reproduction of it in this award will not take much space ; hence I reproduce it here :—

"Mr. R. K. Barman,
3/1 Govt. Quarters,
East Belgharia,
P. O. Belgharia.
24-Parganas.

31st January '67.
Mr. R. K. Barman,
626/3 Ashokenagar,
P. O. Habra,
24-Parganas.

Dear Sir,

In accordance with paragraph 6(a) (ii) of the Service Rules of the Company we hereby give you one month's notice of the termination of your employment with this Company on 28th February 1967.

Yours faithfully,
Samuel Osborn (India) Private Ltd.
Director"

The letter clearly states that the services of the workman were terminated in accordance with paragraph 6(a) (ii) of the Service Rules of the Company. The Service Rules of the Company are contained in a booklet which has been marked Ext. N in this case. Rule 6(a) (ii) is in the following terms :—

> "Permanent Employees : By one month's notice ending with the calendar month or one month's pay (basic plus D. A.) in lieu of such notice given by either side to the other."

The learned lawyer who appeared for the Company submits that in accordance with the aforesaid Rules of the Company, the services of the workman were terminated and there was nothing wrong in this. Further, the learned lawyer submits that the Rules had been framed by the authorised representatives of the Company's employees and the Company in agreement. He refers me to paragraph 4(b) of the Company's written statement which reads as follows :—

> "On or about August 16, 1965, the authorised representatives of the Company's employees and the Company agreed by and between themselves that certain Rules called Employee's Service Rules Should govern the employment of the workmen of the Company ;"

The learned lawyer submits that this averment made by the Company had not been traversed by the Union's witness Shri Dikshit in his oral evidence before the Tribunal. Moreover, he further submits that Ext. N is an exhibit marked on behalf of the Union. Therefore, he concludes that the termination of services of Shri Burman by the Company was quite justified in view of rule 6(a)(ii) of the Service Rules. The learned lawyer submits that when the services of a

workman are terminated on the basis of the Service Rules framed by the Company in agreement with its employees, there is no justification for the Tribunal to interfere with the action taken by the Company in pursuance of the Service Rules.

Shri Pathak who appears for the Union submits that inspite of the existence of such an agreement, the workman can get relief from the Industrial Tribunal which metes out social justice provided the discharge is not a discharge simpliciter. He argues that in this case the services of Shri Burman were terminated after the Company made some futile attempts to secure his dismissal. In this connection, he draws the attention of the Tribunal to Ext. L where the Company uses the term 'dismissal' in connection with the termination of service of Shri Burman. Thereafter, Shri Pathak draws the attention of the Tribunal to Exts. I and II. Ext. I is a letter, dated 17th January 1967, written by the Company to Shri Burman. This letter contains certain allegations and calls upon Shri Burman to show cause within 24 hours why disciplinary action should not be taken against him. Ext. II is a letter, dated 17th January 1967, addressed by Shri Burman to the Company showing cause as demanded of him. Shri Pathak points out that after the cause was shown by the workman, the Company did not take any further action. Thereafter, my attention is drawn by Shri Pathak to Ext. J which is a letter written by the Company to Shri Burman on 19th January 1967. This letter also contains some allegations against Shri Burman. The letter ends with the sentence—"Please show cause within 24 hours why disciplinary action should not be taken against you for insubordination and negligence of duty". Ext. 12 is the reply given by Shri Burman to Ext. J. It is dated 20th January 1967. Shri Pathak points out that after the Company received Ext. 12 from Shri Burman, it took no further action regarding the allegations made by it. Thereafter, the Company issued Ext. K, a letter, dated 31st January 1967, terminating the services of Shri Burman purportedly in accordance with paragraph 6(a) (ii) of the Service Rules. Shri Pathak contends that being unable to dismiss Shri Burman by making allegations against him, the Company suddenly took resort to Rule 6(a)(ii) of the Service Rules and terminated the services of Shri Burman in a manner which is palpably mala fide.

In my opinion, the termination of services of Shri Burman by the Company must be looked at in the background of Exts. I, J, 11 and 12. In the course of three days, the Company made two allegations against Shri Burman. Shri Burman promptly gave replies to those allegations. After that, the Company did not take any further action on the basis of those allegations, but within a fortnight terminated the services of Shri Burman. Therefore, it is clear that being unable to take any disciplinary action against Shri Burman by holding domestic enquiry, the Company suddenly invoked rule 6(a)(ii) of the Service Rules and terminated the services of Shri Burman. The action taken by the Company, in my opinion, is palpably mala fide. In such circumstances, the Tribunal can undoubtedly grant relief to the workman who has been victimised by the Company. The Company's invocation of rule 6(a)(ii) of the Service Rules is not bona fide and this invocation is done simply to camouflage the mala fide action taken by the Company in terminating the services of Shri Burman. In a country where unemployment is rampant and widespread the employees will certainly agree with the Company when the latter wants to frame Service Rules howsoever repugnant to the interest and security of the employees. But that is no reason why the Tribunal should refrain from interfering where manifest injustice is done to the workmen. The Industrial Tribunal which is called upon to administer social justice is no respecter of private agreements. Where injustice is done or has been found to have been done, the private agreements can be ignored by the domestic Tribunal in the interest of meting out justice. Shri Pathak draws the attention of this Tribunal to a case reported in 1960 (I) LLJ, page 587. In that case, it has been stated—"... it is too late now to contend that the contractual power of the employer to discharge his employee under the terms of the contract cannot be questioned in any case". Therefore, extending the principle laid down in that case, it can be emphatically said that even when there exists Service Rules framed by the employees and employers in agreement, the Tribunal can ignore these rules if it finds the employer doing some injustice to an employee in colourable exercise of the powers conferred upon it by the said rules. In this case, I have already stated the background in which the order of termination of services of Shri Burman was issued by the Company. In my opinion, being unable to secure the dismissal of Shri Burman from the services of the Company, the Company took action under the said rule. Therefore, the action taken by the Company cannot be said to be justified and hence it must be set aside.

The Tribunal finds the termination of services of Shri R. K. Burman unjustified. The Company is directed to reinstate him within a month from the publication of this award in the "Calcutta Gazette". The Company is further directed to give him full wages for the period of his forced unemployment and also other benefits to which he may be found entitled. Shri Burman is hereby directed to report for duty within a month from the publication of this award in the Gazette. This is my award.

ANNEXURE

In the matter of an Industrial Dispute between Messrs. Sarada Ram Niranjan Das, 207/3 Mahatma Gandhi Road, Calcutta-7 and their workmen, represented by Barabazar Jamadar Sangh, 90 Lower Chitpur Road, Calcutta-7. (Case No. VIII—346 of 1968.)

BEFORE THE SECOND INDUSTRIAL TRIBUNAL, WEST BENGAL

Present :

Shri H. N. SEN, Judge,
Second Industrial Tribunal.

By order No. 6355-I.R./IR/11L-365/68, dated Calcutta, the 27th August 1968, Government of West Bengal, Labour Department, referred an industrial dispute between Messrs. Sarada Ram Niranjan Das and their workmen represented by Barabazar Jamadar Sangh to this Tribunal for adjudication on the following :

Issue

Whether the refusal of employment of Shri Sree Niwas Pandey by the management is justified? What relief, if any, is he entitled to?

Upon receipt of the reference notices were issued to the parties for their appearance and for filing written statements. Thereafter the parties filed written statements. The case of the applicant is that he was a permanent workman of the opposite party-firm from the time the firm was beforehand run in the name and style of Sarada Ram Daulat Ram. He claimed to be the oldest employee of the firm and he alleged that due to his loyalty he was even entrusted with the work of collection of money from different parts of the country. His positive case is that the management verbally ordered him to go to Benaras and then to Amritasar for some urgent work. On his return to Calcutta the management however refused to allow him to resume his duties on and from 27th October 1967. No cause for such refusal of employment was however shown to him. As such in his case it was a clear case of victimisation. The applicant therefore prayed for reinstatement to his former post with full back wages for the period of his unemployment with continuity of service and for a direction to the Company to pay him all his arrear wages including the wages for the period of unemployment till the period of reinstatement.

The Company opposed the claim alleging, inter alia, that the Company is registered under the Shops and Establishment Act and was therefore not an industry so that the alleged dispute under the instant reference was not an industrial dispute and the reference is therefore bad and incompetent. The other objection raised by the Company is that there was no such Union as Burrabazar Jamadar Sangha ever known or recognised by the management and neither any such Union ever sponsored the cause of the concerned workman.

With regard to the merits, the case of the Company is that the applicant left the employment on 20th May 1967 after settling and getting all his dues up to that date representing to the Company that he was leaving for his native village in Benaras district and that he did not wish any more to continue his employment. The Company denied the allegation of the applicant that he was sent on tour to Benaras and Amritasar. As a matter of fact he was never asked to go to Benaras or Amritasar on Company's business. The Company further alleged that the concerned workman on his return from his native village after about six months got employment somewhere else and ever since he is in employment and the instant dispute has been raised on absolutely false allegations just to extort something from the Company to which he is not entitled to in law.

Appearances of the parties are as follows :—

For the Company : Shri Niranjan Das Kapur, Managing Partner.

For the Sangha : Shri Sachidananda Pandey, General Secretary, instructed by Shri Ram Chandra Pandey, Assistant Secretary.

Decision

Issue No. 1:

The only issue is taken up for consideration. On behalf of the Company O.P.W. 1 Vijoy Kapur, a partner of the opposite party-firm, was only examined and certain documents were exhibited. The applicant only examined himself to reiterate his case made out in the written statement. We are not faced with consideration of the question from what period the applicant has been working under the Company, or, to be more precise, whether he has been working from the time the firm was previously run in the name and style of Sarada Ram

Daulat Ram or not. Suffice it for our purpose to proceed on the admitted position that the applicant was an employee of the opposite party-firm. The applicant's positive case is that he was deputed by the firm to Benaras on 20th May 1967 on Company's work and when he returned back two days' later he was again sent to Amritasar to accompany the wife of the senior partner of the firm and on his return from Amritasar on 27th October 1967, he was refused employment. His case is that since 20th May 1967, he had been given only *khoraki* during his stay at Amritasar and nothing towards his wages and he stated that he was never charge-sheeted by the firm and had no notice that his service would be terminated. He further affirmatively stated that till now he was out of employment. Accordingly he prayed for reinstatement with full back wages during the time of his unemployment with all other arrear dues. The pay sheet entry Ext. A showed that the applicant received his pay for 20 days, i.e., up to 20th May 1967 on that day. In fact the applicant also admitted it in cross-examination. The Company tried hard to maintain that this payment up to 20th May 1967 would plainly indicate that the applicant left the service of the Company of his own accord since after 20th May 1967. I am afraid it would be too big a jump to reach such a conclusion on a mere entry like Ext. A without something more in writing or any further satisfactory evidence. It merely indicates that the applicant received his wages up to 20th May 1967 and nothing further. The Company then wanted to make it appear that its case of the applicant having left the service of his own accord was really a fact since the applicant had been serving under G. K. Commercial Company at Cross Street ever since his return from native village in Benaras district. As to that the Company does not appear to have made any effort to obtain any written document from the said Company to prove it as a fact. The applicant stoutly denied it. On the basis of documents filed, O.P.W. 1 confessed in his cross-examination in answer to questions put by this Tribunal that the applicant got an increment of Rs. 10 per month in the month of May 1967. Unlikely, therefore, the applicant would voluntarily left his service under the Company when there was no evidence that he really got any other employment elsewhere on a higher pay, and, as observed already, the Company made no effort to prove its assertion in this regard. If as the Company asserts that the applicant had left the service voluntarily after settling with the Company and, collecting his dues up to 20th May 1967, we would naturally expect the Company to obtain something in writing so that it might not have any occasion to be fastened with any liability to pay wages even under the provisions laid in section 15(2) of the West Bengal Shops and Establishment Act, 1963. The applicant made out a positive case in his written statement that he had been sent by the Company to Benaras and then to Amritasar on urgent work and he explained it in his evidence the purpose for which he had been sent to such places. No doubt the Company denied that story in the written statement filed by it but the Company never ventured to disprove this story by producing account papers to show that really no such payment was made through the applicant to any firm at Benaras In the absence of any such effort in that direction it would be futile to rely simply on the attendance register to show that since after 20th May 1967, the name of the applicant was not to be found in the attendance register. In the context of reasonable probabilities the Company's case does not appear to be believable at all and in case the preliminary objections raised by the Company do not succeed, the applicant should be directed to be reinstated with full back wages during the period of his unemployment from 27th October 1967 with all arrear wages from 20th May 1967 till the date of his reinstatement.

Coming now to the preliminary objections raised by the Company all that I need say is that under section 2(k) of the Industrial Disputes Act, 1947, every dispute or difference between an employer and his workmen which is connected with their employment or non-employment or with the terms and conditions of their employment would be an industrial dispute. The definition of an "industrial dispute" in the Industrial Disputes Act, 1947, is worded in very wide terms and the words "employment" and "non-employment" are words of the widest amplitude which has been placed in juxtaposition to make the definition comprehensive enough to include disputes of every nature connected with the employment or non-employment of workers by their employers. In the case of Western India Automobile Association versus Industrial Tribunal, Bombay, reported in 1949 F.C.R. at page 321 it was held that the Industrial Disputes Act included within its scope all industries, i.e., those carried on by the Government as well as those carried on by private owners. "Industry" has been defined in the Industrial Disputes Act, 1947, as meaning any business, trade, etc. Conceivably, therefore the business run by the opposite party would be an industry within the definition of "Industry" under the Industrial Disputes Act, 1947, no matter whether it is registered under the West Bengal Shops and Establishments Act, 1963, because of the saving provision in section 24 of the above act. It will be none the less an industry within the meaning of Industrial Disputes Act, 1947 and the dispute between the applicant and the Company would therefore be apparently an industrial dispute when it concerned his non-employment. The preliminary objection has therefore no substance and is therefore overruled.

The other objection in the written statement is that there was no existence of any such Union and that in any event no such Union ever sponsored the case of this particular workman. This objection is plainly unsustainable on facts. In the written statement filed by the applicant it was asserted that the Union requested the management for the reinstatement of the workman and that having failed the Union took up the cause and took the matter to the Labour Directorate for necessary intervention and conciliation having failed, the present reference was made by the Labour Department. It was admitted in the written statement filed by the Company that the Company attended the office of the conciliation officer and made proper statements on facts and there was

no positive denial that the Union named in the order of reference did not sponsor the case of the workman concerned in that conciliation proceeding. Under all these facts and circumstances since the Union has been named to represent the workmen concerned in the order of reference, there is no substance in the objection raised by the Company and the same is also overruled.

In view of what has been held on the merits, it is clear that the Company's version of applicant having left the service voluntarily is not at all believable in the context of resonable probabilities and that being so, the applicant's version is accepted and it is held that his refusal of employment by the Company was wholly unjustified and the applicant is therefore entitled to be reinstated to his former job with full back wages from the period of his unemployment from 20th October 1967 till his reinstatement together with all arrear wages from after 20th May 1967 till the date of refusal of employment. This Tribunal accordingly makes the following award:—

The refusal of employment to the applicant Shri Sree Niwas Pandey is unjustified. The applicant is therefore entitled to be reinstated to his former job. The Company is therefore directed to reinstate him to his former job and pay him full back wages for the period of his unemployment from 27th October 1967 till reinstatement together with all arrear wages from after 20th May 1967 till he was refused employment on 27th October 1967 within a month from the date of publication of this award in the "Calcutta Gazette".

This is the award of the Tribunal.

General information relating to age concession, fixation of initial pay, etc., in respect of posts advertised by the Commission and instructions to candidates applying in response thereto.

General concession in age

(1) (a) **For political sufferers:** A candidate who before 15th August 1947 was detained, imprisoned, interned or externed on account of his/her activities in connection with the country's struggle for independence, not being convicted of an offence indicating moral turpitude, shall be entitled to a concession in respect of the upper age limit. The concession granted will be equal to the exact period of detention, imprisonment, interment or externment suffered up to a maximum of four years.

(b) **For Scheduled Caste/Tribe candidates:** The upper age limit is relaxable by five years for candidates belonging to Scheduled Castes/Scheduled Tribes.

(c) **For Displaced Persons:** The upper age limit is relaxable up to 45 years for displaced persons who have migrated to India from East Pakistan on or after January 1, 1964. The concession in age shall remain in force up to December 31, 1967.

The bona fide of the displaced persons will have to be certified by the Camp Commandant of the Transit Centre of the Dandakaranya Project or the Camp Commandant of the Relief Camp in various States or the District Magistrate of the area where the candidate may for the time being be resident.

Fixation of Pay

(2) (a) **For persons already in permanent Government service:** If a permanent Government servant is permitted to apply and is selected for a post in open competition with outsiders, the initial pay will be fixed under rule 42 or 55 of the West Bengal Service Rules, Part I, as the case may be. If however, such a recruit is prepared to resign his appointment under Government, before applying, he will be eligible to the grant of higher initial pay on the same basis as an outsider.

(b) **For a temporary Government servant having no lien on any post under the West Bengal Government when appointed to a post carrying higher scale of pay:** Such an officer shall be eligible to draw as initial pay at the stage of the time-scale in the higher post which is equal to his pay in the lower post, or if there is no such stage, the stage next below that pay plus personal pay equal to the difference, to be absorbed in future increments in the higher scale provided that he has already rendered at least three years' continuous and satisfactory service in the lower post. The aforesaid benefit of fixation of pay will not however, be available in the following cases:

(i) when the Commission has made a specific recommendation regarding the pay to be allowed to the Officer;

(ii) when under any specific rule such an officer is allowed a higher initial pay.

(c) **For outsiders:** Unless otherwise specified in a particular advertisement, higher initial pay on the basis of age, qualifications and experience (including experience outside Government service) may be allowed to a person not already in Government service, if the relevant advertisement contains a provision to that effect.

Instructions regarding submission of application

(3) Applications are to be made on the prescribed form which will be available from the office of the Public Service Commission, West Bengal, Anderson House (ground floor) Alipore, Calcutta-27, personally or on sending a large self addressed envelope with stamps sufficient to cover the postage affixed to it. Candidates who are unable to obtain copies of the prescribed form may apply on any similar typed (not handwritten) form showing exactly the working and spacing of the sample form published in the "Calcutta Gazette" of the 1st September 1955, provided the blanks are filled up in the candidates' own handwriting.

Fee

(5) Candidates must enclose with their applications a fee of Rs. 5 in the form of a receipted chalan from a Government Treasury or the Reserve Bank of India under the head "XXI—Miscellaneous—Receipts of the Public Service Commission, West Bengal". Money orders, cheques, etc., in lieu of treasury chalans are not accepted. Postal Order, however, may be accepted from candidates. They should be crossed and made payable to "The Deputy Secretary, Public Service Commission, West Bengal". No application will be considered unless accompanied with the requisite application fee, except as provided below.

Candidates abroad may deposit their application fees with the High Commission of India or the Embassy, as the case may be, and obtain receipts for the same, which will have to be attached to their applications to be submitted to the Commission.

Candidates in Government service should make sure before depositing fee that their applications will be forwarded by their superior officers.

In no case will the fee paid with the application be refunded, except as provided below.

The Commission may remit application fee in respect of genuinely indigent displaced persons from East Pakistan who have migrated to India on or after January 1, 1964. This concession in fee shall remain in force up to December 31, 1967.

A candidate claiming such exemption must furnish besides evidence required under para (1)(c) above a certificate (in original) from a District Magistrate or a Gazetted Officer or a Member of Parliament or State Legislature to show that he is not in a position to pay the prescribed fee.

For a gazetted post, an indigent displaced person shall, in the first instance pay the prescribed application fee, but if he/she is selected for and appears at the interview, the fee paid by him/her will be refunded afterwards. For a non-gazetted post, such candidates will not be required to pay the application fee.

Note: A member of the Scheduled Caste or Scheduled Tribe claiming age concession must furnish with his application a certificate in original from a Gazetted Officer or a Member of Parliament or State Legislature belonging to the Scheduled Caste or Scheduled Tribe, specifying the particular caste or tribe to which he claims to belong.

(6) Candidates should give their present address and should communicate at once any subsequent change of address.

Canvassing

(7) Any attempt on the part of candidates to enlist support of their applications through persons of influence or officials of Government will disqualify them for appointment. Spontaneous recommendations from persons interested in the candidates or otherwise known to them will be disregarded.

Forwarding of applications and submission of advance copies

(8) Applications from candidates who are in permanent or temporary employment under any Government, a Local or Statutory Body (e.g., Damodar Valley Corporation), in India will be rejected unless they are submitted through the appointing authority of their posts or service.

Candidates serving under Government or a Local or Statutory Body should submit an advance copy in the prescribed form. The application fee should in such cases be attached to the advance copy and not to the original. The candidature of such applicants may not however be considered if the original application do not reach the Commission's office within a fortnight from the closing date. Unless applications in original or advance copies with application fees are received within the closing date, late applications may be rejected.

GOVERNMENT OF INDIA

MINISTRY OF LAW

(Legislative Department)

New Delhi, the 7th February, 1969/Magha 18, 1890 (Saka).

The following President's Act enacted on the 6th February, 1969 is published for general information:—

THE CALCUTTA METROPOLITAN WATER AND SANITATION AUTHORITY (AMENDMENT) ACT, 1969.

No. 6 of 1969

Enacted by the President in the Twentieth Year of the Republic of India.

An Act to amend the Calcutta Metropolitan Water and Sanitation Authority Act, 1966.

8 of 1968. In exercise of the powers conferred by section 3 of the West Bengal State Legislature (Delegation of Powers) Act, 1968, the President is pleased to enact as follows:—

Short title. **1.** This Act may be called the Calcutta Metropolitan Water and Sanitation Authority (Amendment) Act, 1969.

West Bengal Act XIII of 1966. Amendment of section 27. **2.** Section 27 of the Calcutta Metropolitan Water and Sanitation Authority Act, 1966 (hereinafter referred to as the principal Act), shall be re-numbered as sub-section (*1*) thereof and after sub-section (*1*) as so re-numbered, the following sub-sections shall be inserted, namely:—

"(*2*) Notwithstanding anything contained in sub-section (*1*), if the State Government is of opinion that it is necessary so to do for the purpose of enabling the Authority to make its arrangements for the imposition and collection of the charges and taxes referred to in section 33, the State Government may, by order, direct the municipal corporations and municipalities concerned to postpone the reduction of their rates under sub-section (*1*) for such period as may be specified in the order:

Provided that the State Government may, by order, extend the said period by such further period or periods as it may think fit, so, however, that the total period so extended shall not exceed six months.

(3) Where an order has been made by the State Government under sub-section (2),—

(a) the municipal corporations and municipalities concerned shall continue to realise their rates without any reduction for the period specified in such order and for the period, if any, extended under the proviso to that sub-section, and pay to the Authority such sums, in such instalments and by such dates as the State Government may, by order, fix in this behalf; and

(b) it shall not be competent for the Authority to collect any of the charges and taxes referred to in section 33 in respect of the period specified in such order and of the period, if any, extended under the proviso to that sub-section.

(4) In fixing the sums under clause (a) of sub-section (3), the State Government shall have due regard to the expenses incurred by the Authority during the period specified in the order made under sub-section (2) and the period, if any, extended under the proviso to that sub-section, in respect of the service or services for which responsibilities have been taken up by the Authority; and the total sum to be paid by any municipal corporation or municipality under that clause shall not exceed the amount which such municipal corporation or municipality, as the case may be, would have spent on such service or services during such period and such extended period, if any, on the basis of the amount provided for such service or services in its budget for the financial year commencing on the 1st day of April 1968.".

Amendment of section 88.

3. In section 88 of the principal Act, to sub-section (1), the following proviso shall be added, namely:—

"Provided that where the State Government has made an order under sub-section (2) of section 27 directing the municipal corporations and municipalities concerned to postpone the reduction of their rates, the provisions of the aforesaid Acts relating to the imposition, assessment and collection of rates in respect of such service shall continue in force until the expiry of the period specified in such order and of the period, if any, extended under the proviso to that sub-section.".

ZAKIR HUSAIN,
President.

V. N. BHATIA,
Secy. to the Govt. of India.

Reasons for the enactment

The Calcutta Metropolitan Water and Sanitation Authority Act, 1966 (West Bengal Act XIII of 1966) provides for the establishment of an Authority for the maintenance, development and regulation of water supply, sewerage and drainage services and for the collection and disposal of garbage in the Calcutta Metropolitan District with a view to the promotion of public health and for matters connected therewith. The Calcutta Metropolitan Water and Sanitation Authority was set up under the said Act with effect from 20th June, 1967.

2. According to section 33 of the said Act, the Calcutta Metropolitan Water and Sanitation Authority can impose (*i*) water charges, (*ii*) sur-charges on water charges for sewerage, and (*iii*) taxes. According to section 17 of the Act any water charges, sur-charges and taxes as may be fixed by the Calcutta Metropolitan Water and Sanitation Authority's Board of Directors have to be approved by the Calcutta Metropolitan Water and Sanitation Authority's General Council, and if the General Council does not approve, the Government's decision will be final. It is further laid down under section 27 of the said Act that on the date on which the Calcutta Metropolitan Water and Sanitation Authority takes up the responsibilities for one or more of such services of any municipal body, the municipal body shall correspondingly reduce its rates by such percentage as the State Government may determine in consultation with the municipal body.

3. Before the Authority can take over the relevant services from the Corporation, the rates to be imposed by it have to be finalised and collected in advance to meet its expenses and it has also to have its collecting and other staff in position. The General Council of the Authority on which the Mayor and some Councillors of the Calcutta Corporation and other Municipalities are also represented, has taken the view that the new rates to be imposed by the Authority should not exceed the reduction to be proportionately allowed on the present consolidated rates charged by the Calcutta Corporation.

4. The Government of West Bengal have carefully considered the matter and are of the view that it will not be advisable to postpone the taking over of the services by the Calcutta Metropolitan Water and Sanitation Authority until its own collection machinery is in position and until its own rates are fixed and collected, as that would delay the taking over of the services. The State Government are of the view that the only way to resolve the difficulty will be to make additional provisions in section 27 of the Act, and to make consequential provisions in section 88 by which the Calcutta Corporation will be enabled to continue to collect the full consolidated rates as hitherto and to make over a sum equal to its present expenditure on the relevant services to the Authority with effect from the date the latter takes over these services and until it is able to collect its own rates.

5. The proposed measure seeks to suitably amend the Calcutta Metropolitan Water and Sanitation Authority Act, 1966, for the above purpose.

6. As it is not practicable to refer the present legislation to the Subordinative Committee of Parliament on West Bengal Legislation, it has been decided, in view of the urgency of the matter, to enact the present legislation without such reference.

Addl. Secy. to the Govt. of India,
Ministry of Health,
Family Planning and Urban Development.

NOTIFICATION

No. P.H.|580|2R-7|69.—7th February 1969.—Whereas the Governor is satisfied that the district of Howrah, excluding the municipal areas, is threatened with an outbreak of small-pox;

Now, therefore, in exercise of the power conferred by section 2 of the Epidemic Diseases Act, 1897 (III of 1897), the Governor is pleased to prescribe the following temporary regulations for the prevention and control of small-pox and for the medical inspection, isolation, observation, and surveillance of persons suffering from, or suspected of being infected with, small-pox, in the said district for a period of six months:—

TEMPORARY REGULATIONS FOR THE PREVENTION AND CONTROL OF SMALL-POX

1. In these regulations, unless there is anything repugnant in the ject or context,—

(a) "Health Officer" means the Health Officer of the district appointed by the State Government, the Chief Medical Officer of Health of the district, or the Subdivisional Health Officer of any of the subdivisions of the district within their respective subdivisions;

(b) "Sanitary Inspector" means a Sanitary Inspector appointed by the State Government;

(c) "Small-pox" means any disease accompanied by an eruption of vesicles or pustules;

(d) "Patient" means a person suffering from or suspected to be suffering from small-pox;

(e) "Medical practitioner" means any person practising the medical profession.

Notices

2. If in any case the Health Officer considers that the issue of a notice under these regulations is likely to lead to such an amount of delay as might facilitate the spread of small-pox he may forthwith take such steps as he may think fit for carrying out the work, and shall thereafter, as soon as possible, issue a notice on the person concerned stating the reasons why such work has been carried out.

3. If any measure which the Health Officer has by a notice issued under these regulations, required to be carried out, be not carried out to his satisfaction within the time stated in the notice the Health Officer shall be entitled to carry out the measure.

Costs and compensation

4. (1) All expenses incurred in carrying out any work in pursuance of an order issued under these regulations shall be paid by the State Government except in any case where the order directs a person to carry out any work in relation to property in his possession, in which case the expenses shall be paid by such person:

Provided that where the conditions which led the Health Officer to pass such an order, are not attributable to any act or default of the person in possession of the property, the State Government may pay to such person the whole or a part of the expenses incurred by him in carrying out the order.

(2) The State Government may recover all expenses incurred by the Health Officer in carrying out the measure under regulation 3 from the person or persons to whom the notice was originally issued.

5. The State Government shall pay adequate compensation to any person who has sustained substantial loss or damage by reason of anything done under these regulations:

Provided that no person shall receive any compensation for anything done or suffered under these regulations if he has failed to carry out an order issued under these regulations. He shall not direct the patient to be removed from the house unless it is, in his opinion, impossible to make proper arrangements for his isolation therein within the time specified in the order and to the satisfaction of the Health Officer.

Location of disease

6. When a case of small-pox occurs in a house, the nearest male relative in attendance upon the patient, or in the absence of any such relative the occupier of the house, or if the occupier be the patient, the senior male inmate of the house other than the patient of the house shall, within twenty-four hours of the onset of the disease, give information regarding the occurrence of such case either personally or in writing or by means of the chaukidar or other village watchman or headman to the nearest Sanitary Inspector.

7. (1) Every medical practitioner called in to attend upon any case of small-pox shall forthwith give notice of the case by a special messenger to the nearest Sanitary Inspector or to the Health Officer by post and the cost of such messenger in each case shall be defrayed by the State Government.

(2) The doctor-in-charge of a hospital or a dispensary within the district shall forthwith give notice of any case of small-pox brought to such hospital or dispensary for treatment to the nearest Sanitary Inspector by a special messenger and to the Health Officer by post, and the cost in each case shall be defrayed by the State Government.

8. Thana officers shall supply to the Health Officer such periodical returns of cases of small-pox as he may from time to time call upon them to furnish.

9. The Health Officer or a Sanitary Inspector may examine any person who is, or suspected to be, suffering from small-pox or who, in his opinion, may be infected with or likely to spread small-pox.

Isolation of patients

10. When the Health Officer or a Sanitary Inspector considers that the isolation of any patient is a precaution necessary for the protection of the neighbouring population, he shall order the patient to observe isolation and may order the nearest relative in attendance on the patient, or the occupier of the house in which the patient is staying, to arrange for the isolation of the patient in such a manner and for such a time as may be approved by the Health Officer.

11. The Health Officer or a Sanitary Inspector may order that any person, who has been in contact with a person found to be suffering from small-pox, shall be segregated for a period not exceeding a fortnight in a manner and in a place to be approved by the Health Officer.

12. The Health Officer or a Sanitary Inspector may order that any person who has been in contact with a person found to be suffering from small-pox shall be vaccinated or re-vaccinated within a time to be specified in the order.

13. No person shall enter any place wherein a patient is isolated under regulation 10, without the permission of the Health Officer or a Sanitary Inspector.

14. When a patient has been removed from a house for isolation under regulation 10, the State Government shall provide for him free of charge a suitable place, with necessary attendants, diet, etc.

15. No person, who is or has been suffering from small-pox, shall leave the place where he has been staying until he has received from the Health Officer or a Sanitary Inspector written permission to do so.

16. No person while suffering from evident symptoms of small-pox or in the convalescent state of the disease with scabs of pocks on his body shall expose himself in any street, road, public place, shop, bazar or any place used in common by persons other than members of the family or household to which such infected person belongs or shall move from place to place unless he is proceeding to a hospital for admission and treatment.

17. The Health Officer or a Sanitary Inspector authorised by the Health Officer in writing in that behalf may, during the prevalence of any outbreak of small-pox, order that any bazar, shop or other public place shall remain closed for such time as may appear to him to be necessary and may forbid the holding of any fair, mela, or other gathering to which people from several villages commonly or periodically resort.

Miscellaneous

18. (2) The municipality may recover all expenses incurred by the Health Officer or a Sanitary Inspector in carrying out the measure under regulation 3 from the person or persons to whom the notice was originally issued.

Ghosh & Sons Co., 27 Bagmari Road, Calcutta-54 (hereinafter referred to as the Company), and their workmen represented by East Calcutta Engineering Workers' Union, 30/H/27 Manicktala Main Road, Calcutta-54 (hereinafter referred to as the Union), to this Tribunal under section 10 of the Industrial Disputes Act for adjudication on the following issue:

Issue

Whether discharge of Shri Pitambar Panda is justified ? To what relief, if any, is he entitled ?

After service of notice both the parties appeared and filed their respective written statements.

The case of the Union as made out in its written statement is as follows:

The workman Pitambar Panda was a machineman working in this Company for three years.

On 8th February 1967 he received a telegram from his native village in Orissa informing that his mother was lying ill seriously. After receipt of that telegram he applied for one month's leave with effect from 10th February 1967 and personally handed over the leave application to the management, but did not get any receipt. Thereafter on the same day he sent another leave application from Calcutta by registered post which was duly received and acknowledged by the Company. His mother died in his native village and from there he sent two other leave applications under registered post praying for extension of leave. During the last period of leave the workman concerned fell ill and after recovery he came to Calcutta on 10th June 1967 and took a fit certificate from the Panel Doctor on that very day. Thereafter he was allowed to resume his duties on 11th June 1967 and a new attendance card was issued to him. On 12th June 1967 the Company took away that attendance card from him on a false pretext and thereafter discharged him from service without any charge-sheet. Thereafter the workman lodged a complaint to the Labour Commissioner through the Union whereupon the present dispute has arisen. It is submitted by the workman that this action of the Company is illegal, and that he is entitled to reinstatement with compensation for the period of unemploy ment.

The case of the Company as made out in the written statement is, in substance, that the workman concerned absented himself from duty with effect from 10th February 1967 without any notice whatsoever, that the present management did not receive any leave application from him regarding his absence, that he was very irregular in attendance and negligent in respect of duties entrusted to him, and that he failed and neglected to resume his duties inspite of notice given to him to that effect. The Company has denied that the said workman resumed his duties on 11th June 1967 as alleged or that his attendance card was taken away by the Company on 12th June 1967. It is stated by the Company that no attendance card was issued to him in the month of June. It is submitted on behalf of the Company that the concerned employee has lost his service due to his own fault.

P.W. 1, Pitambar Panda, the workman concerned, has deposed that he received a telegram from his native village at the Company's address on 9th February 1967 at about 12 noon informing him that his mother was lying seriously ill, that Shri Jagannath Ghosh, one of the partners of the firm, handed over the telegram to him and explained the contents thereof, that on 10th February 1967 he handed over an application to Shri Ghosh praying for leave and that as no receipt was granted to him, he sent another application for leave by registered post. P.W. 1 has proved the telegram, Ext. 1, and also the office copy of the leave application, dated 10th February 1967 (Ext. 2), which was sent by registered post and was duly acknowledged by the Company under the postal acknowledgement receipt (Ext. 2/a). P.W. 1 has stated further that thereafter he left for his native village where his mother died after a fortnight, and that on 7th March 1967, he sent another leave application by registered post from his native village, the copy of which has been marked Ext. 3, and the postal acknowledgment receipt Ext. 3/a. According to P.W. 1, he sent another application praying for further one month's leave under registered post, copy of which is marked Ext. 4. P.W. 1 has deposed that thereafter on account of his illness he sent another application by registered post praying for further leave, copy of which is marked Ext. 5, and the postal acknowledgment receipt Ext. 5/a. According to the evidence of P.W. 1, he left his native village on 9th June 1967 and reached Calcutta on 10th June 1967 with the medical certificate (Ext. 6) and on 11th June 1967 he went to join his duties at 8-30 a.m., and placed his attendance card, dated 10th February 1967, in the box and after his duty hours he got his new card for the month of June, 1967. P.W. 1 has deposed further that on 12th June 1967 he placed his new attendance card in the box but was not allowed to join his duties and was asked to wait, that some time thereafter he was called in the office room and was told that he would not be allowed to join his duties, that on that very day he went to the Union office and informed about this matter, and about 2 or 3 days thereafter the Union lodged a complaint before the Labour Commissioner, that it is not true that he has left his service, that during his stay in the native village he received no letter from the Company and that he prays for reinstatement in service with compensation for the period of unemployment. In cross-examination P.W. 1 has stated that the leave application sent by him by registered post on 10th February 1967 was written in Bengali, and in the handwriting of Dhiren Nandy, Secretary of the Union, and that the leave applications sent from his native village was written in English by Satyabadi Swain, that he had no leave to his credit when he applied for leave from 10th February 1967 till 10th June 1967, that after 11th June 1967 he did not file any application to the Company, and that he did not receive any letter from the Company during his stay in his native village.

P.W. 2, Ajit Kumar Datta, a co-worker of the concerned workman has deposed that on 11th June 1967 Pitambar Panda placed his attendance card of February in the box while resuming his duties and that at 5 p.m. while returning from duty, he got his attendance card for June, 1967. P.W. 2 has stated further that on 12th June 1967 at 8-30 a.m. Pitambar Panda came to join his duties and placed his attendance card in the box, that thereafter he was called in the office room, and that at about 9 a.m. he came and reported that he had not been allowed to resume his duties. P.W. 3, Haradhan Singh Roy, another co-worker of the concerned workman, has deposed that on 10th February 1967 Pitambar Panda filed one leave application (copy of which is Ext. 7) but got no receipt, that on 9th February 1967 at about 12 noon Jagannath Ghosh handed over a telegram to Pitambar Panda in the Company's premises which carried the news of serious illness of Pitambar Panda's mother, that on

10th February 1967 Pitambar Panda left for his native village and he came to resume his duties on 11th June 1967 and worked on that day, that on 12th June 1967 when Pitambar Panda came to join his duties at usual time, he was called at the office room, and that on that very day at about 9 a.m. Pitambar Panda came to him and reported that he had not been allowed to resume his duties.

As against the aforesaid evidence adduced on behalf of the concerned workman, O.P.W. 1, Pashupati Nath Ghosh, one of the partners of the Company, has deposed that the attendance of Pitambar Panda was very irregular, that he was absent from duty since 10th February 1967 and from the records at his disposal he did not find out any application for leave or any application for extension of leave, that he (Pitambar Panda) did not attend his duty either on 11th June 1967 or on 12th June 1967, and that Pitambar Panda was not discharged from service by the Company by any letter. In cross-examination O.P.W. 1 has stated that before any dispute arose amongst the partners, any partner could have received registered letter addressed to the Company, that the signatures "J. Ghosh" on the postal acknowledgment receipts, Exts. 2/a, 3/a and 5/a, were not the signatures of Jagannath Ghosh, and that he cannot say what steps the then Manager took for finding out the whereabouts of Pitambar Panda when he was found absent since 10th February 1967. O.P.W. 2, Jagannath Ghosh, another partner of the Company, has stated that on 9th February 1967 he did not receive any telegram, nor did he handover any telegram to Pitambar Panda, that Pitambar Panda did not hand over any leave application to him on 10th February 1967, that the signatures "J. Ghosh" on the postal acknowledgment receipts, Exts. 2/a, 3/a and 5/a, were not his signatures and that he does not remember if he received any leave application from Pitambar Panda by registered post after 10th February 1967. In cross-examination O.P.W. 2 has stated that they did not enquire into the reasons why Pitambar Panda was absent since 10th February 1967.

On the materials in the record I find that Pitambar Panda, the concerned workman, sent as many as four leave applications to the Company by registered post, and that at least three of them were duly received by the Company as will appear from the postal acknowledgment receipts, Exts. 2/a, 3/a and 5/a. It is submitted on behalf of the Company that no reliance should be placed on the copy of the leave application, dated 10th February 1967 (Ext. 2), inasmuch as it is in English and a typed one although according to the workman (P.W. 1), the said application was written in Bengali. Regarding the copy of the three leave applications that were sent from the native village, viz., Ext. 3, dated 7th March 1967, Ext. 4, dated 10th April 1967 and Ext. 5, dated 10th May 1967, praying for extension of leave, objection has been taken that these are typed copies although according to P.W. 1, they were handwritten. In the facts and circumstances of the present case these minor discrepancies are in my opinion not of much importance: The broad fact remains that the Company received at least three registered letters from the concerned workman—one from Calcutta and the other two sent from his native village, as will appear from the postal acknowledgment receipts, Exts. 2/a, 3/a and 5/a, respectively. On the materials in the record and in the facts and circumstances of the present case I have no doubt in my mind that these three letters which were correctly addressed to the Company and were sent by registered post were duly received by the Company. It is submitted on behalf of the Company that Pitambar Panda, the concerned workman, left his service voluntarily as will appear from his conduct and that on account of his continuous absence since 10th February 1967, the Company had no other alternative but to terminate his service. It is significant to note that in the instant case no standing orders of the Company have been produced. Admittedly, the Company has not written any letter to the concerned workman either refusing him leave or terminating his service. No charge-sheet has also been issued to him for his alleged unauthorised absence. The law is well settled that abandonment of relinquishment of service is always a question of intention, and, normally, such an intention cannot be attributed to an employee without adequate evidence in that behalf. In the instant case the workman sent one leave application on 10th February 1967 by registered post from Calcutta before leaving for his native village, and thereafter sent three other leave applications from his native village praying for extension of leave. At least three of them were duly received by the Company; but curiously enough, no letter was sent to the workman either refusing him leave and asking him to join immediately or terminating his service for his continous absence. The Company has failed to adduce any evidence whatsoever in support of their case as made out in the written statement that the concerned workman failed and neglected to resume his duies inspite of notice given to him to that effect. The workman after having sent his leave applications to the Company and getting no intimation from the Company was, in my opinion, justified in proceeding on the reasonable presumption that his prayer for leave had been granted by the Company.

The oral evidence adduced by the parties on the question as to whether the concerned workman joined his service and actually worked on 11th June 1967 (which was a Sunday), and whether a new attendance card was issued to him on that day for the month of June is practically oath against oath. In the Attendance Register, Ext. A, his attendance has not been noted. But on the materials in the record, I have no doubt in my mind to hold that he went to resume his duties on Monday (i.e., 12th June 1967) at usual time when he was verbally told by the management that his services had been terminated. On the evidence adduced before me and in the facts and circumstances of the present case, I am not inclined to hold that the concerned workman relinquished his service voluntarily, as pleased by the Company. From his leave applications sent from time to time under registered post and from the medical certificate, Ext. 6, containing the fitness certificate by the Panel Doctor who examined him on 10th June 1967, it is abundantly clear that after expiry of the period of leave the workman came to join his duties on 12th June 1967 which was a Monday, when he was not allowed to work and was verbally told that his services were terminated. This termination of service, as I have already stated, is without any charge-sheet and domestic enquiry and is a clear violation of principles of natural justice.

On the materials in the record and in view of what I have stated above, I hold that the discharge of Pitambar Panda, the concerned workman, by the Company is not justified, and that he is entitled to reinstatement in service. Regarding compensation for his period of forced unemployment, I award three months' wages.

This is my award.

ANNEXURE

In the matter of an application under section 33A filed by Shri Tulsi Kharwar against Messrs. Manickchand Chatar Singh, 11 Khengrapatty Street, Calcutta-7, under G. O. No. 1450-I.R./IR/11L-130/66, dated the 8th March 1968. (Case No. 13/68, under section 33A.)

BEFORE THE FIRST LABOUR COURT, WEST BENGAL

Present:

Shri S. P. BAGCHI, Judge,
First Labour Court.

AWARD

This is an application under section 33A of the Industrial Disputes Act, 1947, filed by Shri Tulsi Kharwar, an employee of Messrs. Manickchand Chatar Singh against the said Company praying for an award directing the said Company to reinstate him in service with full back wages for the period of his forced unemployment on the ground that his service had been terminated illegally.

The instant application appears to have been filed originally before the First Industrial Tribunal, West Bengal. The Company pursuant to the notice of the proceeding appears to have filed its written statement in triplicate on 25th December 1964 and 26th December 1969. As, however, the Presiding Officer of the said Tribunal retired and the case was pending, the Government of West Bengal, Labour Department, was pleased to transfer this case to the Eighth Industrial Tribunal, West Bengal, for adjudication by its order No. 1450-I.R./IR/11L-130/66, dated 8th March 1968. The said Eighth Industrial Tribunal, however, was pleased to transfer this case to this court for disposal and 13th January 1969 ultimately came to be fixed for hearing of the case by this court. On 13th January 1969, however, the parties put in a joint petition of compromise stating inter alia that they had amicably settled the matter on the terms and condition embodied therein and that the case should be disposed of in terms of the joint petition of compromise. I heard the worker concerned and Shri Lakshmi Pat Manot, the partner of the Company and Shri B. K. Mukerjee, learned Advocate of the Company, in the matter and they all submitted that a settlement as evidenced

by the joint petition of compromise had really been come to between the parties and that an award should be passed in terms thereof. The worker concerned who was identified by Shri B. K. Mukherjee also stated on oath that he had signed the joint petition of compromise voluntarily understanding fully the contents thereof and that the statements as made in the said application were correct and that he had compromised the case in terms of the said application, received Rs. 300 in full and final settlement of all his claims against the Company and granted a receipt to the Company therefor. Having regard to the submission of the parties and the learned lawyer I have no manner of doubt that the parties have amicably settled their dispute in terms of the joint petition of compromise. I have looked also into the joint petition of compromise and I consider that the terms as embodied therein are lawful, fair and reasonable. I accordingly accept the joint petition of compromise and pass a 'No-dispute' award in terms of the joint petition of compromise which shall form a part of the award. The instant application is accordingly disposed of.

Adi Haridas Modak, 220 Acharya Prafulla Ch. Road, Calcutta-4 and their workman Shri Mukundu Lal Bakuli as represented by Shop Assistants' Association of Bengal, B-73 College Street Market, Calcutta-12, regarding the issue mentioned in the said order being a matter specified in the Second Schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the First Industrial Tribunal;

For the Union: None.

AWARD

Government of West Bengal, Labour Department, by its order No. 6583-I.R./IR/11L-381/68, dated 3rd September 1968, referred under section 10 of the Industrial Disputes Act, 1947, an industrial dispute between Messrs. Adi Haridas Modak, 220 Acharya Prafulla Chandra Road, Calcutta-4 (hereinafter referred to as the Company), and their workman Shri Mukundu Lal Bakuli as represented by Shop Assistants' Association of Bengal, B-73 College Street Market, Calcutta-12, to the First Industrial Tribunal constituted under notification No. 808-I.R./IR/3A-2/57, dated the 11th March 1957, for adjudication relating to the following issue:

Issue

Whether refusal of employment to Shri Mukundu Lal Bakuli from 29th April 1968 is justified? To what relief, if any, is he entitled?

On receipt of the reference, on 9th September 1968 notices were issued on both the parties directing them to appear on 26th September 1968 for

receiving necessary direction for filing statements of the cases of the respective parties concerned. On 26th September 1968 the Company filed a letter of authority authorising Shri C. L. Ganguly, Advocate, to represent their case but none appeared on behalf of the Union inspite of receipt of notice. 30th October 1968 was therefore fixed for further orders. On 30th October 1968 Shri Sadhan Prasad Dutta, General Secretary of the Union, appeared on benalf of the Union. The Union was then directed to file its written statement by 18th November 1968. On 18th November 1968 on the prayer of the Union, time was extended till 28th November 1968 for filing of the written statement. On 28th November 1968 however no written statement was filed by the Union. But the Tribunal suo motu extended time till 12th December 1968 for filing of the written statement by the Union. On 12th December 1968 again neither party appeared nor any step was taken by the Union. The Tribunal again extended time up to 27th December 1968 for further orders. But on 27th December 1968 also neither party appeared nor any step was taken for the filing of the written statement by the Union. Again time was extended by the Tribunal till 7th January 1969 for further orders. But neither party still appeared on the said date fixed.

Rule 22 of the West Bengal Industrial Dispute Rules, 1958, says that if without sufficient cause being shown both the parties fail to appear before a Tribunal, the Tribunal may submit an award to the State Government on the footing that the industrial dispute under reference is no longer in existence. In the instant case non-appearance of both the parties without any sufficient cause although several chances were granted to them shows that the industrial dispute under reference between the parties is no longer in existence. I, therefore, pass a 'no dispute' award in this case.

This is my award.

3. Retirement Age.
4. Retirement Benefit.
5. Leave Facilities.

6. House-Rent Allowance.
7. Leave Fare Assistance.
8. Duty allowance to Depots' staff.
9. Tiffin Allowance.
10. Medical Benefits.
11. Bhatta and Allowances for out-station and out-door duties.

After the notices were served upon the parties, they appeared before the Tribunal and in due course filed their written statement. Thereafter, being called upon to file their documents, the parties did so and the case became a contested one. Some of the documents filed by the parties were marked exhibits on admission and without objection. The actual examination of witnesses for the Union commenced on 21st August 1968. In all, 4 witnesses were examined by the Union and more than 50 documents were marked exhibits for the Union. Before the Union closed its evidence, a joint petition was filed by the parties on 21st November 1968 with a prayer for adjournment on the ground that a talk of settlement was going on between the parties. The Tribunal considered the petition and granted time till 11th December 1968.

On 11th December 1968, Shri M. A. Latif appeared for the Union and Shri D. Basu Thakur, Labour Adviser of B.C.C.I., appeared for the Company; they filed a joint petition before the Tribunal. This petition is signed on behalf of the workmen by the Petroleum Workers' Union Shri Banamali Bhattacharjee, Working President and on behalf of the employer by the Industrial Relation Manager of the Company.

In the petition, it has been stated—

"That by a settlement under conciliation, dated 5th December 1968, it is agreed between the parties that there in no dispute subsisting between the parties and the demands are withdrawn and settled. A copy of the said settlement is annexd hereto and marked as annexure 'A'."

The parties thereafter prayed—

"That an award may be made in terms of the settlement, dated 5th December 1968."

Perused the copy of the Memorandum of Settlement, dated 5th December 1968, attached to the joint petition filed by the parties. From the copy, it appears that the Memorandum of Settlement was signed on behalf of the employees by three persons, namely, (1) Shri Atin Sadhu, President, (2) Shri Banamali Bhattacharjee, Working President, and (3) Shri Paresh Chandra Das, General Secretary, and on behalf of the employer Shri J. Chopra, Branch Manager, signed the Memorandum of Settlement. Shri B. K. Chatterjee signed the document as a witness.

From a perusal of the Memorandum of Settlement, I find the terms of settlement reasonable and fair. The parties have found the terms of settlement satisfactory. Therefore, there is no reason why this Tribunal should not accept the memorandum of settlement filed by the parties. Furthermore, the parties have stated in their petition that there is no subsisting dispute.

Hence in pursuance to the prayer made by the parties in the joint petition, I hereby pass this award in terms of the settlement filed before the Tribunal and dispose of this case. The petition along with the memorandum of settlement filed by the parties shall form integral part of this award and be published as Annexure 'A' thereto.

Let usual number of copies of this award be sent to the State Government for necessary action.

ANNEXURE

In the matter of an industrial dispute existing between Messrs. Pioneer Wire Industries, 62 B. T. Road, Khardah, 24-Parganas, and their workmen represented by the Secretary, Hind Wire Industries Mazdoor Union, B. T. Road, Sukchar P.O., 24-Parganas district (Case No. 623 of 1967.)

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL.

Shri T. K. MUTSUDDI, Judge,
Fifth Industrial Tribunal.

Present for the Company: Shri Madan Mohan Saha, Advocate.

Present for the Union: Shri Nanda Dulal Srimani, Advocate.

By the Government of West Bengal, Labour Department, order No. 1216-I.R./IR/10L-22/67, dated 31st March 1967, this industrial dispute between Messrs. Pioneer Wire Industries and their workmen represented by the Secretary, Hind Wire Industries Mazdoor Union, was referred to the First Industrial Tribunal under section 10 of the Industrial Disputes Act, for adjudication upon the following issue:

Issue

Whether dismissal of Shri Madan Ch. Mete by the management is justified? To what relief, if any, is he entitled?

Subsequently, by order No. 3827-I.R./IR/10L-22/67, dated the 14th August 1967, the reference was withdrawn from the First Industrial Tribunal and transferred to the Fifth Industrial Tribunal.

On receipt of notice from the Tribunal, both the parties made appearance and filed their respective written statement.

The case of the workman is as follows:—

Shri Madan Chandra Mete had been serving under the Company Messrs. Pioneer Wire Industries, as an operator, for about 3½ years, to the entire satisfaction of the management. On 19th November 1965 during working hours, Madan went out of the factory in order to take tea. On his return from the Tea Shop, Sahadeb China, the Supervisor, behaved with him in a most objectionable way and showed bad temper. An altercation took place between Madan and Sahadeb. Madan reported the matter to the Manager who took no steps against Sahadeb China. On the other hand, a charge-sheet was served on Madan Mete by the Manager of the Factory, and Madan was suspended with effect from 3rd December 1965. Madan Mete submitted his explanation denying the allegations made in the charge-sheet. But the management dismissed Madan from service by a notice, dated 4th December 1965, without holding any enquiry. It is, therefore, prayed that Madan be reinstated to his former post of employment and be paid full back wages till his reinstatement.

The case of the Company is as follows :—

On 19th November 1965 Sahadeb China, the Supervisor, found the light of the machine burning even though the machine was not working. On this account Sahadeb China gave warning to Madan Mete, and in reply to that Madan abused him filthily. Sahadeb reported the matter to the Manager. In presence of the Manager also Madan abused Sahadeb filthily, and threatened to assault him. Thereafter Madan was asked to see the proprietor of the Company. On 1st December 1965 Madan saw the proprietor. Even before the proprietor Madan Mete showed haughtiness and said that Sahadeb was lucky enough that he was not beaten by him. The Company, therefore, contends that the management was justified in dismissing Madan Mete for his disorderly and indecent behaviour.

Decision

In the first place the Company takes a preliminary objection as to the maintainability of the reference. It is submitted by the Company that the dispute was not raised by the workman and, as such, there is no industrial dispute before this Tribunal. It appears that before the Conciliation Officer the workman concerned was represented by the Secretary of the Hind Wire Industries Mazdoor Union, Sukchar. Ext. 6 shows that 30 workmen of Pioneer Wire Industries authorised the Secretary of Hind Wire Industries Mazdoor Union to take up their cause. Admittedly, the workers of Pioneer Wire Industries had no Union of their own. Section 36(1)(c) says that a workman who is a party to a dispute shall be entitled to be represented in any proceeding by an officer of a Trade Union connected with, or by any other workman employed in, the industry in which the worker is employed and authorized in such manner as may be prescribed. It appears that the workers of Pioneer Wire Industries were represented by the Secretary of a Union belonging to a similar industry. So I find that the workmen were properly represented by the Secretary of the Hind Wire Industries Mazdoor Union before the Conciliation Officer. The dispute before the Conciliation Officer was raised by the Secretary of the Hind Wire Industries Mazdoor Union on behalf of the workmen of Pioneer Wire Industries. The representation was done according to law. So it must be taken that the workmen themselves raised the dispute. It is in evidence that about 80/90 workmen work in Pioneer Wire Industries. The letter of representation was signed by 30 workmen. It must be said that the dispute was raised by a considerable and substantial number of workmen. I, therefore, find that there is an industrial dispute before me, and the reference is maintainable.

Admittedly, there was no enquiry held before Madan Mete was dismissed from service. It is now an established principle of law that even if there be no enquiry held before dismissal, the Tribunal can go into the merits of the case. So it is to be seen whether Madan Mete was rightly dismissal by the management or not. It is an admitted fact that when wire-drawing goes on, the machine shows red light, and when wire-drawing is stopped, the machine shows green light. It is also an admitted fact that the machine does not show green or red light if the main switch is put off. Ext. A is the charge-sheet served upon Madan Mete, and Ext. B is the explanation submitted by Madan Mete on receipt of the charge-sheet. It appears that Madan went out for tea during working hours keeping the machine shut, and that even though the machine was shut, the light was found burning. It is an admitted fact that on that account a quarrel took place between Madan and Sahadeb. According to Madan, Sahadeb behaved badly with him while, according to the management, Madan behaved badly with Sahadeb. Now it is to be seen whose version is true. P.W. 2 Madan Mete says in his evidence that on 19th November 1965 machines could not be worked upon properly, and that the machine could not be stopped by pushing switch. Then he says that when the machine was running, a light remained burning, and that for this Sahadeb told him that he was working like an ass. His evidence does not fit in with the explanation submitted by him. Ext. B is the explanation given by him. In the explanation there is no mention of any defect existing in the machine. P.W. 3 Nimai Chandra Jana gives a different version altogether. His evidence is that on 19th November 1965, at about 1 p.m., while he was welding wires, Madan came there, that when Sahadeb found him there standing without any work, he shouted at Madan and said "Is it your father's property here?". But it is not the case of Madan that he was standing near the machine when Nimai Jana was doing welding job. His case is that he went for tea to the tea shop after shutting his machine, and that when he came back from the tea shop there took place a quarrel between him and Sahadeb. The evidence of Nimai Jana seems to be absolutely false. No reliance can be placed on his evidence. The evidence of Madan, P.W. 2, is discripant. So from his evidence it cannot be taken that Sahadeb behaved badly with him. On the other hand the evidence of O.P.W. 1 Gour Chandra Chakravorty, the supervisor in the Nails Department, clearly proves that Madan behaved badly with Sahadeb on the date in question. Gour Chakravorty is no longer in the service of the Company. So it cannot be said that he is interested in this case. He should be treated as an independent witness. His evidence is consistent, and hence his evidence should be accepted. It is true that the Company did not examine Sahadeb in this case. The evidence is that Sahadeb China is no longer in the service of the Company. So, no inference can be drawn against the Company for non-examination of Sahadeb. The evidence of Gour Chakravorty is that on 19th November 1965 at about 1 p.m. Madan badly behaved with the Supervisor Sahadeb China. O.P.W. 2 Manaranjan Bhattacharyya was the Manager of the Pioneer Wire Industries at the relevant time. He says that the matter was reported to him, and that when he called Madan, Madan replied "it was the luck of Sahadeb Babu that he was not beaten by me". It therefore appears that Madan behaved haughtily even before the Manager of the Company. O.P.W. 2 Manaranjan Bhattacharyya further says that before the proprietor also Madan behaved badly. Even before him Madan said that Sahadeb was lucky enough that he was not beaten by him. It is clear that Madan is a man of insolent nature. He behaved badly with the Supervisor. He showed no sign of repentance for what he had done. On the contrary, he behaved haughtily in presence of the Manager and the proprietor of the Company. I think that Madan was guilty of gross misconduct. I, therefore, find that Madan was rightly dismissed by the management. It cannot be said that the Company was guilty of unfair labour practice. It cannot also be said that the Company dismissed Madan Mete in order to victimise him.

I hold that the Company was justified in dismissing Madan Mete from its service. He is therefore entitled to no relief.

This is my award.

By the Government of West Bengal, Labour Department, order No. 2578-I.R./IR/10L-171/67, dated 15th June 1967, this industrial dispute between Messrs. India Weighing Scales & Engg. Co. (Pvt.) Ltd. and their workmen was referred to this Tribunal for adjudication on the issue mentioned below.

Issue

Whether the lock-out declared by the management with effect from 31st October 1966 is justified ? What relief, if any, are the workmen entitled to ?

On receipt of the reference usual notices were served on the Union and the Company. The Union made appearance and filed written statement. The notice on the Company could not be served, and it came back unserved with the Postman's remark "closed for one year". Thereafter Government was asked for furnishing the Tribunal with the correct address of the Company. Government expressed their inability to supply with any other address of the Company excepting the one that had been mentioned in the order of reference. In the circumstances the Tribunal directed the Union to get the notice published in newspaper. The Union did not comply with the said direction of the Tribunal. Thereafter on two succeeding dates the Union remained absent and took no steps. The conduct of the Union shows lack of interest in the present reference. The Union does not want to pursue their case any more in the present reference.

In the circumstances, I pass a 'no-dispute' award in this case and dispose of the reference accordingly.

BEFORE THE SECOND INDUSTRIAL TRIBUNAL, WEST BENGAL

Present :

Shri H. N. SEN, Judge,
Second Industrial Tribunal.

Government of West Bengal, Labour Department, by its order No. 5783-I.R./IR/10L-214/68, dated the 31st July 1968, referred an industrial dispute between Messrs. E. R. Joseph & Co. Private Ltd., and their workman Shri M. M. Mukherjee, under section 10 read with section 2A of the Industrial Disputes Act to this Tribunal for adjudication on the following :

Issue

Whether the termination of service of Shri M. M. Mukherjee is justified? To what relief, if any, is he entitled?

Upon receipt of the reference notices were issued to the parties for their appearance and for filing of written statements. The parties thereafter entered appearance and filed written statements. The applicant's case in brief is that he joined the service of the opposite party-Company's establishment as a clerk on February 2, 1965 and that his such appointment was made as a permanent staff and he was drawing a monthly salary of Rs. 100 per month. He was however wrongfully retrenched pursuant to an illegal and unlawful office note, dated September 12, 1966. His case is therefore that this termination of service by retrenching him was illegal and wrongful without proper notice for such termination and without payment of wages for the notice period and other benefits due under the Industrial Disputes Act.

The application was opposed by the Company alleging inter alia, that the applicant was appointed purely on a temporary basis subject to the condition that his services might be terminated on 24 hours' notice. The Company denied that he was appointed as a permanent staff. The Company's case is further that his work was found unsatisfactory and his service was therefore dispensed with with effect from September 16, 1966 and before that he had been given sufficient opportunity to improve upon his work and as such the order of termination of his service was perfectly legal and justified and the applicant is not entitled to any relief whatsoever.

Appearances of the parties are as follows :—

For the Company : Shri K. C. Bose, B.L., Law Officer.

For the workman : Shri Rabindra Nath Chatterjee, Advocate.

Decision

Issue No. 1:

The issue under reference is accordingly taken up for consideration. The applicant examined himself. The Company examined one of its officials, namely, the accountant of the opposite party firm. The applicant tried to make out in his evidence that he was really a permanent hand. He however failed to prove that inasmuch as he confessed that he had no letter of appointment issued to him and neither did he ever ask for it even after he joined as a clerk under the opposite party's establishment. The Company's case is that the applicant was appointed purely on a temporary basis subject to the condition that his services might be terminated on 24 hours' notice. As to that there was no satisfactory proof except the bald statement made by O.P.W. 1 in this regard. I had occasion to scrutinise the vouchers and the attendance-cum-pay sheets filed by the Company on my requisition and I find therefrom that although the applicant remained in the employment of the opposite party-Company at the same monthly salary of Rs. 100 and his name does not appear in the attendance-cum-pay sheet except for the months of May and June 1966. All the same the salary payments were made to him by vouchers. Conceivably therefore on the evidence adduced there is reasonable ground for reaching the conclusion that the applicant's appointment was made on a temporary basis. But then that is not enough to support the Company's claim that his appointment has been made subject to the condition that his services might be terminated on 24th hours' notice. That part of the alleged contract of service set up by the Company does not appear to have been proved at all. The result is that even though the Company had the right to discharge the applicant at any time by giving him notice, such notice must be a reasonable notice and as it appears, before his services had been terminated the applicant had already been in continuous service for more than 240 days within the meaning of section 25B of the Industrial Disputes Act, 1947 and he thus acquired certain rights for being in continuous service for more than 240 days. The applicant's ascertain of being a permanent hand by reason of his being placed in permanent departments or in any responsible position has no force at all because permanency of employment and the rights of a permanent worker are not acquired by any temporary hand merely because of his employment in a permanent department of the Company. That was held in the case of Rohtas Industries Ltd., versus Brijnandan Pandey, reported in 1956, S.C.R. at page 800. Consequently, as already held the applicant remained a temporary hand with a record of continuous service for more than 240 days. Being so, the Company had the right to dispense with his service by a reasonable notice. But in the instant case there was no such reasonable notice inasmuch as the applicant's services had been terminated by a notice for only a few days. Being in continuous service for more than 240 days the applicant acquired certain rights under the Industrial Disputes Act, 1947 and section 25F of the above Act should therefore come into play and the Company's plea that the applicant was a temporary hand would be entirely irrelevant because section 25F of the Industrial Disputes Act, 1947, is mandatory and one of the necessary conditions for the applicant under that section is that the workman claiming compensation thereunder should have been in continuous service for not less than one year under the employment. The applicant was in continuous employment under the

opposite party's establishment for more than one year and once the applicant fulfilled this qualification, it is immaterial whether he was a temporary or permanent hand. As such the applicant would be entitled to the retrenchment benefit provided in section 25F and he would be entitled to the pay for the notice period and also 15 days' average pay for every year of completed service or any part thereof in excess of six months. The result is that the Company exercised its right to dispense with the services of the applicant, who was a temporary hand, by reason of the applicant being found unfit for the work he was employed. As such the Tribunal has no hesitation to hold that the termination of the service of Shri M. M. Mukherjee was perfectly justified but Shri Mukherjee would nonetheless be entitled to one month's wages in lieu of notice together with 15 days' average pay for each year of completed service or any part thereof in excess of six months and the Company should therefore be directed to pay such amounts to the applicant. The applicant's claim for bonus during the years 1964-65 and 1965-66 is negatived since there was no proof that the Company ever employed more than twenty persons during those two accounting years to attract the operation of the Payment of Bonus Act, 1965 and as per evidence of O.P.W. 1 we have it that there was no system of granting of any bonus to the staff and only ex-gratia payments were occasionally made to the permanent staff.

In the result, therefore, the Tribunal makes the following awards :—

The termination of service of Shri M. M. Mukherjee is held to be justified but he is nevertheless entitled to get one month's pay in lieu of notice together with compensation at the rate of 15 days' average pay for each completed year of service or any part thereof in excess of six months and the Company is accordingly directed to pay such amounts to the applicant within one month from the date of publication of this award in the "Calcutta Gazette".

This is the award of the Tribunal.

Union appeared. The Union filed its written statement on 3rd May 1967. The Company also filed their written statement on 14th June 1967. After several stages, this case was taken up on 28th June 1968 for hearing. On this date, one of the concerned workman, Shri Amarendra Kumar Maity was examined and cross-examined. Then on 30th October 1968, three other concerned workmen, Shri Ashini Kumar Patra, Shri Chitta Ranjan Ghosh and Shri Pranati Kumar Patra, were examined and cross-examined. On the next day, i.e., 31st October 1968, the fifth concerned workman, Shri Sambhu Ram Maity was examined and cross-examined. Then the parties took several adjournments to compromise the disputes existing between them. On 3rd December 1968, a joint petition signed by Shri Chitta Ranjan Sahoo, Director of the Company and four concerned workmen, Shri Sambhu Ram Maity, Shri Amarendra Kumar Maity, Shri Bhuban Chandra Das and Shri Ashini Kumar Patra, along with the memorandum of settlement were received by this Tribunal. Then on 18th December 1968, another joint petition signed by the same Director of the Company, Shri Chitta Ranjan Sahoo and the remaining 2 other workmen, Shri Chitta Ranjan Ghosh and Shri Pranati Kumar Patra along with a memorandum of settlement was received by this Tribunal.

Shri C. L. Ganguly, Advocate, appeared for the Company and Shri Patit Paban Pathak and Shri Kali Banerjee, Advocates, appeared for the Union. I have heard them.

I have also perused the petitions of settlement received by this Court on 3rd December 1968 and also on 18th December 1968, which appear to me to be fair, reasonable and lawful and I accept the same.

Accordingly, I pass a compromise award in terms of the petitions of settlement filed before this Tribunal by the parties on 3rd December 1968 and 18th December 1968 which do form part of this award.

This is my award.

No. 269-I.R./IR/7L-39/67.—17th January 1969. —Whereas under the Government of West Bengal, Labour Department, order No. 7894-I.R./IR/7L-39/67, dated the 4th November 1968, the industrial dispute between Messrs. Kankinarah Co. Ltd., Kankinarah, 24-Parganas and their workmen represented by National Union of Jute Workers, Kankinarah Mill Committee, Mazdoor Line, Kankinara, 24-Parganas, regarding the issue mentioned in the said order being a matter specified in the Second Schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the First Industrial Tribunal;

And whereas the said First Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of an industrial dispute between Messrs. Kankinarah Co. Ltd., Kankinarah, 24-Parganas and their workmen represented by National Union of Jute Workers, Kankinarah Mill Committee, Mazdoor Line, Kankinarah, 24-Parganas. (Case No. VIII-431/68.)

AWARD

Government of West Bengal, Labour Department, by its order No. 7894-I.R./IR/7L-39/67, dated 4th November 1968, referred under section 10 of the Industrial Disputes Act, 1947, an industrial dispute between Messrs. Kankinarah Co. Ltd., Kankinarah, 24-Parganas and their workmen represented by National Union of Jute Workers, Kankinarah Mill Committee, Mazdoor Line, Kankinarah, 24-Parganas, to the First Industrial Tribunal constituted under notification No. 808-I.R./IR/3A-2/57, dated the 11th March 1957, for adjudication, relating to the following issue.

Issue

Whether the Company is justified in refusing to employ the workmen of the Weaving Department as per annexed list (vide annexure) in their normal work? What relief, if any, are the workmen entitled to?

On receipt of the above reference notices were issued on both the parties directing them to appear on 30th November 1968 when necessary direction for filing written statement would be given to them. On 30th November 1968 the Company appeared before the Tribunal through its representative Shri N. K. Chatterji, but the Union was absent. Direction was given to the Union for filing a written statement by 24th December 1968. On 20th December 1968 a letter from the General Secretary of the Union was received. In the letter it has been stated that the Union does not want to pursue the case as the dispute regarding the issue has been amicably settled between the employees and the management and hence a prayer was made for passing a 'no dispute' award.

On 24th December 1968 that is on the schedule date the Union did not take any further step. On behalf of the Company however Shri N. K. Chatterji appeared and he also submitted that the issue between the Company and its employees has been amicably settled and he also produced a copy of the letter which was sent 'by post' by the Union Secretary intimating that the matter between the parties have been settled and the Union does not want to pursue the case any further.

I examined the Labour Officer of the Company Shri N. K. Chatterji as P.W. 1 and I am really satisfied that the dispute between the Company and its employees have really been amicably settled and there is now 'no dispute' any further between the parties regarding the issue which was referred to this Tribunal. He proved before me satisfactorily that the letter sent by the Union bears the genuine signature of its General Secretary, Shri G. N. Misra and there is no dispute pending any further between the parties. I, therefore, pass a 'no dispute' award in this case, as the issue has been amicably settled between the parties.

This is my award.

AWARD

The Labour Department, Government of West Bengal, has referred an industrial dispute between Messrs. Road Light Battery Company, 243/A Acharyya Prafulla Chandra Road, Calcutta-6 (Head Office 74 B. T. Road, Calcutta-2), and their workman Shri M. N. Ghosh, 169/1 Gopal Lal Tagore Street, Calcutta-36, to this court by its order No. 3551-I.R./IR/11L-353/67, dated 27th July 1967, under section 10 read with section 2A, Industrial Disputes Act, on the following issue:

Issue

Whether the discharge of Shri M. N. Ghosh is justified? What relief, if any, is he entitled to?

Usual notices were served upon the parties directing them to appear on 5th September 1967 and the petitioner-workman to file his written statement by that date. The petitioner-workman appeared on 5th September 1967 and filed his written statement. He also filed an authority authorising Shri B. Dutta, Advocate, to represent his case. By my order No. 2, dated 5th September 1967, the O. P.-Company was directed to file its written statement by 20th September 1967. Time was extended till 5th October 1967 for filing written statement when the O. P.-Company filed its written statement on that date. The case was fixed for hearing on 30th November 1967. After a few adjournments, the case was fixed on 18th January 1968 for hearing. The O. P.-Company filed a petition for a preliminary hearing on that date. The case was, however, adjourned on a number of dates till 29th April 1968. On 29th April 1968 the O. P.-Company did not press for a preliminary hearing and became ready for hearing of the case on merits, but wanted to rely upon the preliminary points at the time of hearing on merits.

The petitioner-workman's case is that he was appointed under the O. P.-Company in the month of September 1963, as an assistant at a salary of Rs. 150 per month and his salary was raised to Rs. 230 per month in appreciation of his work. He received his salary for the month of April 1967 on 13th May 1967 and thereafter he was not allowed to join to his duties. On 20th June 1967 he received a letter, dated 3rd May 1967, by the O. P.-Company and he was thereby discharged from his service with effect from 3rd May 1967. At the relevant point of time the petitioner-workman was in Madras to discharge his duties. The termination of petitioner-workman's service is illegal and malafide and violates the principles of natural justice. He claims reinstatement along with back wages as well as bouns in accordance with the law.

The O. P.-Company's case is that the order of reference is illegal and not maintainable and this Labour Court has no jurisdiction in the present case and the dispute is not an industrial dispute. The petitioner-workman is not a workman within the meaning of Industrial Disputes Act as he was employed mainly in managerial or administrative capacity and/or by the nature of duties attached to him or powers vested in him, his functions were mainly of managerial nature. The petitioner-workman was employed as a Manager with full powers vested in him for administration of the factory since on or about 20th December 1963. His emoluments were raised from time to time commensurate with the O. P.-Company's business. On 7th April 1967 he submitted his resignation letter to the proprietor over certain baseless allegations for an alleged got up strike and indulgence shown to a delinquent workman on the plea that his position has been humiliated by the proprietor. Subsequently, he withdrew his resignation by a registered letter from Madras. After thorough enquiries into the allegations of the petitioner-workman, the O. P.-Company in consideration of his acts of insubordination, defiance in discipline and misbehaviour, etc., decided to terminate his service as Manager with effect from 3rd May 1967. It is specifically denied that the petitioner-workman was ever employed as assistant under the O. P.-Company.

The petitioner-workman has examined only himself in support of his case. He has admitted even in his examination-in-chief that he was first appointed as Manager of the O. P.-Company in September 1963. This belies his case that he was appointed as Assistant in September 1963. He next states that he served as Manager till 30th April 1967 and with effect from 1st May 1967 the nature of his job was converted to that of a Sales Assistant on an agreement between both the parties. This case has never been made out in the written statement of the petitioner-workman. He produces a letter alleged to be under the signature of the proprietor, Shri Mihir Kr. Roy by which the nature of his job was converted to that of a Sales Assistant, which has been marked as Ext. 1(a). He states that he received the letter on 13th May 1967 as endorsed. He proves another letter, which shows the previous agreement between him and the O. P.-Company, which is also under the signature of Shri Mihir Kr. Roy and this letter has been marked as Ext. 1(b). In his cross-examination he admits that the facts as to the chance of nature of his employment has not been stated in the written statement. He also states that the nature of his employment was changed by the letter Ext. 1(a). His letter of resignation has been marked as Ext. A. He withdrew the letter of resignation, dated 7th April 1967, by his subsequent letter, dated 19th April 1967, which has been marked as Ext. A(1). In reply to the Court's questions he has stated that there was a discussion between him and the employer on or about 10th April 1967/11th April 1967, when it was decided that it would not be wise on his part to stay at the factory and so he was requested to proceed to Madras on official business and the employer would look into the matter as to what could be done in his case. It was decided at that time that he would withdraw his resignation and as such he withdrew his resignation by the letter Ext. A(1). He went to his office at Calcutta on 13th May 1967 when he received his salary for April 1967 and also the letter Ext. 1(a). He accepted the proposal contained in the letter in the light of his previous discussions with the employer. There was no proposal for a change of his emoluments as a result

of change in the nature of his job. He went to his office everyday at Calcutta since 13th May 1967 till 20th June 1967. He did not recieve his salary for the month of May 1967 and he received the letter of dismissal Ext. 1 on 20th June 1967. The O. P.-Company has examined as many as 4 witnesses including the proprietor as O.P.W. 1. He states that the petitioner-workman served as Manager till his dismissal. Ext. 1 is the original letter of dismissal. Ext. B(1) is the office copy. The dismissal was with effect from 3rd May 1967. He has also narrated the circumstances under which the petitioner-workman sent the resignation letter Ext. A through a messenger on 7th April 1967. He next states that on receipt of his subsequent letter Ext. A(i), dated 19th April 1967, from the petitioner-workman intimating his withdrawal of the resignation letter, a letter of dismissal, dated 3rd May 1967, was sent so that the petitioner-workman may not join to his service. He categorically denies that he sent the petitioner-workman to Madras for any business of the O. P.-Company. He also denies to have signed the letters Exts. 1(a) or 1(b) or ever sending any such letters. In reply to Court's questions, the proprietor O.P.W. 1 admits that the letter of dismissal was received by the petitioner-workman on 20th June 1967. He also states that he did not take any decision of terminating the service of the petitioner-workman before submission of his resignation letter on 7th April 1967. He decided to accept his resignation on receipt of the letter Ext. A, dated 7th April 1967. He sent Mr. Roy Chowdhury, another Assistant serving under the O. P.-Company, to receive charge from the petitioner-workman on 8th April 1967. The salary for April 1967 was paid on 13th May 1967 at his residence. After 6th April 1967 till 13th May 1967 he never met the petitioner-workman. As the petitioner-workman wanted the termination of his service by a suitable letter for his getting a job elsewhere, a number of drafts of the letter showing termination of his service were not received and returned by him and the letter Ext. 1 is the 4th letter sent as such. As he wanted to maintain the date on which the first draft was typed and so the letter Ext. 1 bears the date 3rd May 1967. He also states that the signatures in the Ext. 1(a) and Ext. 1(b) seem to be forged; the seals in the Exts. 1(a) and 1(b) are of the O. P.-Company. O.P.W. 2 is Shri Sourendra Nath Roy Chowdhury, who serves as Accountant under the O. P.-Company. O.P.W. 3 is an ordinary workman serving under the O. P.-Company. He was suspended by the petitioner-workman, which resulted in a strike of the factory and the proprietor settled the matter in presence of all as a result of which the Manager, petitioner-workman, resigned from his service. O.P.W. 4 also serves under the O. P.-Company and corroborates the same facts.

The first point for consideration is whether the petitioner-workman is a workman within the meaning of the Industrial Disputes Act. Admittedly, the petitioner-workman was appointed as Manager under the O. P.-Company and continued as such till 30th April 1967. I have already indicated that the petitioner-workman never made a statement in his written statement as to any change in terms of his appointment thereafter. At the time of hearing of the present case he, however, urges that by a subsequent letter, dated 1st May 1967, he was given new duties as Sales Assistant and this is not a managerial job. There is no explanation why this case has not been stated in the written statement of the petitioner-workman. The petitioner-workman has not called for a representation before the Government of West Bengal to show that such a fact was stated before the Government of West Bengal. Be it noted that the petitioner-workman alleged that he was first appointed as Assistant under the O. P.-Company, but even in his examination-in-chief admits that he was appointed as Manager. The proprietor of the O. P.-Company has denied that the letter Ext. 1(a) is under his signature. He also denies that the letter Ext. 1(b) stating certain terms of service to be under his signature. The O. P.-Company prayed for examination of these questioned documents by a handwriting expert for the purpose of comparison of the signatures therein and the signature of the proprietor of the O. P.-Company. O.P.W. 1, which was allowed and the handwriting expert sent his report, but the handwriting expert has not been examined as witness by the O. P.-Company. The specimen signature of the proprietor of the O. P.-Company, O.P.W. 1, however, does not tally with the signatures in Exts. 1(a) and 1(b). It is true that the printed letter-head of the O. P.-Company as well as its seal have been used, but if the signatures be forged certainly, the petitioner-workman, who was then admittedly serving as Manager of the O. P.-Company could secure such printed letter-head and the seals of the O. P.-Company. It would appear from Ext. 1(b) that the service of the petitioner-workman was confirmed therein as Sales Assistant, but it is the petitioner-workman's case that he was all along serving as Manager till 30th April 1967. The use of the words in Ext. 1(b) rather goes to suggest that this letter is not genuine, but is contemporaneous with manufacture of writing of the letter Ext. 1(a) wherein first the petitioner-workman came to be employed according to him as Sales Assistant. Both these letters be genuine, there is no reason why the petitioner-workman already appointed as Manager would be redesignated as Sales Assistant causing a demotion in rank though maintaining the same emoluments. According to the petitioner-workman as P.W. 1 that there was a discussion between him and the employer on or about 10th April 1967 by which it was decided that it would not be wise on his part to stay at the factory and so he was requested to proceed to Madras on official business and the employer would look into the matter as to what could be done in his case. Be it noted that letter Ext. 1(a) shows that the discussion took place on 12th April 1967. Under the circumstances, even accepting the petitioner-workman's case, there was no agreement between the parties by which the nature of his job was changed from that of a Manager to a Sales Assistant. It is also the petitioner-workman's case that he proceeded to Madras and certainly he was not doing the job of a Manager at that point of time. It is not understood how he could depose in the circumstance that he served as Manager till 30th April 1967 and became Sales Assistant only with effect from 1st May 1967.

On the above discussions, I am bound to hold that the documents Exts. 1(a) and 1(b) do not appear to be genuine documents. Exts. 1(a) and 1(b) have clearly been fabricated for the purpose of earning a status of a workman within the meaning of the Industrial Disputes Act.

This apart, I have also shown the contradiction between the contents of the documents of Exts. 1(a) and 1(b). By the document Ext. 1(a) it has been categorically stated that there would be no change in the service agreement, dated 27th December 1965, excepting amending the original agreement by introducing the words "Sales Assistant" for "Sales Manager." Admittedly, after the agreement, dated 27th December 1965, Ext. 1(b) the petitioner-workman was continuing as Manager and so was not serving as a workman within the meaning of workman under the Industrial Disputes Act. If the letter Ext. 1(a) has not brought any change in status as conferred by the letter Ext. 1(b) in that case his rank clearly continued to be one at par with the Sales Manager and by nature of his duties attached to his office or by reasons of the powers vested in him, his functions were mainly of a managerial nature. So, I find that the petitioner-workman was holding a managerial office as per his own case as stated in the written statement even considering the letter Ext. 1(a), which I find this to be a fabricated document. Even after conceding that Ext. 1(a) was genuine and not fabricated document, Ext. 1(a) read along with Ext. 1(b) shows that the petitioner-workman's status was still of a managerial nature as conceived by the letter Ext. 1(b). So, in any view of the case of the petitioner-workman, he is not a workman within the meaning of the Industrial Disputes Act, as defined in section 2(s) of the Industrial Disputes Act, 1947.

So, I find that the order of reference is not maintainable and this court has got no jurisdiction to pass an award in the present dispute and also that the present dispute is not an industrial dispute at all.

I need not enter into the merits of this case as the order of reference itself is illegal and the present dispute is not an industrial dispute.

An award be passed accordingly holding that the order of reference is illegal and the present dispute is not an industrial dispute and this court has no jurisdiction to pass an award in the present dispute as the petitioner-workman is not a workman within the meaning of the Industrial Disputes Act as defined under section 2(s) of the Act.

This is my award.

The Labour Department, Government of West Bengal, has referred an industrial dispute between Messrs. Chaya Cinema, 122 Acharya Prafulla Chandra Road, Calcutta-6 and their workmen represented by Bengal Motion Picture Employees' Union, 126-A Dharmatala Street, Calcutta-13, to this court by its order No. 4508-I.R./IR/11L-418/67, dated 11th September 1967, under section 10, Industrial Disputes Act, on the following issue :—

Issue

Whether termination of service of Shri Phanindra Nath Sen Gupta is justified ? To what relief, if any, is he entitled ?

Usual notices were served upon the parties directing them to appear on 6th December 1967 and the Union to file its written statement by that date. The parties appeared on that date and the Union filed its written statement. The O.P.-Company filed an authority authorising Shri L. M. Bose, Advocate, to represent its case. By my order No. 2, dated 6th December 1967, the O.P.-Company was directed to file its written

statement by 28th December 1967. The O.P.-Company took time on several occasions and ultimately filed its written statement on 12th March 1968. The case was fixed for hearing on 5th July 1968 by my order No. 8, dated 20th May 1968 and after a few adjournments on different grounds including the ground of compromise, the case was fixed for hearing on 6th January 1969 for compromise, in default, for hearing. On the prayer of the parties, the case was adjourned to 7th January 1969 for compromise.

The petitioner-Company files a petition on this date intimating that an arrangement of compromise has been made between the O.P.-Company and the Union relating to the present industrial dispute. They have also filed an agreement for retirement from services due to superannuation of the petitioner-workman, dated 7th January 1969, under the signature of Shri S. Barik, on behalf of the O.P.-Company and Shri Shib Nath Chatterjee, on behalf of the Union, stating the terms of agreement between the parties and also praying for passing an award in terms of the compromise.

On a persual of the agreement between the parties, dated 7th January 1969, I find the terms of compromise to be lawful, reasonable and fair and also that the parties have compromised the entire dispute pending between them as such. Under the circumstances, I am inclined to pass a 'no-dispute' award on the basis of the agreement between the parties. A 'no-dispute' award be passed accordingly in terms of the agreement between the parties, which be made a part of this award.

This is my award.

The Labour Department, Government of West Bengal, has referred an industrial dispute between Messrs. R. Issue

Whether the termination of services of Shri Madan Mohan Ghosh is justified? To what relief, if any, is he entitled?

Usual notices were served upon the parties directing them to appear on 7th October 1968 and the petitioner-workman to file his written statement by that date. The O.P.-Company appeared on that date and filed an authority authorising Shri Architananda Mukherjee, an employee, to act on behalf of the O.P.-Company. The petitioner-workman was absent and by my order No. 2, dated 7th October 1968, the case was fixed on 31st October 1968 for orders. The notice sent to the petitioner-workman came back with an endorsement 'left' and by my order No. 3, dated 30th October 1968, the record was put up on 30th November 1968 for orders. By my order No. 4, dated 30th November 1968, the O.P.-Company was directed to furnish the fresh address of the petitioner-workman, if any, by 20th December 1968. The O.P.-Company das absent on that date and the record was put up on 6th January 1969 for orders. The parties filed a joint petition on that date under the signature of the petitioner-workman Shri Madan Mohan Ghosh as well as Shri P. Chakraborty, Joint Secretary of the O.P.-Company, intimating that the dispute has been compromised between the parties out of court, stating the terms of compromise as such and also praying for passing an award in terms of the joint petition of compromise.

On a perusal of the joint petition of compromise, I find the terms of compromise to be lawful, reasonable and fair and that the parties have compromised the entire dispute pending between them as such. Under the circumstances, I am inclined to pass a 'no-dispute' award in terms of the joint petition of compromise. A 'no-dispute' award be passed accordingly in terms of the joint petition of compromise, which be made a part of this award.

This is my award.

OFFICE OF THE ACCOUNTANT-GENERAL, WEST BENGAL

NOTIFICATION

Subject:—Instructions regarding bills payable by the Accountant-General, West Bengal, within the current financial year 1968-69

No. TM/1-51/907.—5th February 1969.—In order to ensure payment before the close of the financial year, all travelling allowance, contingent grant-in-aid and other bills payable within the year, should be presented at the counters of Treasury Buildings and 4 Brabourne Road, Calcutta, as the case may be by the 15th March 1969. The words "to be paid on or before the 31st March 1969" should be written prominently in red ink on the top of each bill.

2. In respect of charges actually incurred or claims accruing on or after the 15th March, the bills should be presented with the utmost expedition without losing even a single day. It may be mentioned that during the last week of March this office is pre-occupied with the passing of monthly bills, payable on the first working day of April. Three clear working days are required by this office to complete all processes connected with the pre-audit of a bill. As such, bills marked payable within the 31st March 1969 may, in special circumstances, be received by this office up to the 25th March 1969. Only in exceptional cases at the express request of the sanctioning authorities, contingent bills involving large amounts and grant-in-aid bills will be received up to 26th March 1969, with the special permission of the Senior Deputy Accountant-General (TAD) in respect of bills payable from the counter of Treasury Buildings and of the Examiner, L.A.D., in respect of bills payable from the counter of the other wing of this office, namely, at 4 Brabourne Road, Calcutta-1. In no case will any bill be received on and from 27th March 1969, onward.

3. On the fourth working day from the date of presentation of a bill, the payee or his messenger should call at the delivery counter to demand payment. If, for any reason, payment cannot be obtained on that day, he should call on the next day or on the second or third following day, should it become necessary. Any complaint regarding undue delay in payment should be lodged with the gazetted officer in charge of the Section. No attempt should be made to get into direct touch with the sectional staff.

4. It should be particularly borne in mind that unpassed bills are not returned by post; they are required to be received back at the counter on surrender of tokens.

5. All possible care should be taken to see that the bills presented are free from defects and irregularities as there may not be time left for resubmitting the bills when once returned unpassed with audit objection.

6. It will facilitate the payment of bills if the following instructions are borne in mind:

(a) If the appropriation for the current year is likely to be or has already been exceeded, an additional appropriation should be obtained in time to meet the excess and the order sanctioning the additional appropriation attached to the bills.

(b) If any charge requiring sanction of a higher authority is claimed in a bill, a true copy of the sanction should be attached to it. As no payment can be made on the authority of copies of orders, the sanctioning authority should be requested to communicate the order to this office in time.

(c) If no distribution of any appropriation has yet been made, formal orders of the competent authority sanctioning the distribution should be attached to the bill.

(d) A bill extract giving particulars of the major, minor and detailed heads of account to which the amount of the bill is chargeable and the designation of the Officer controlling the expenditure should invariably be attached to the bills.

7. Between the 15th and 31st March 1969, care should be taken to check the Bill Register every day with a view to seeing that all payments have been received in good time.

8. As a special concession to payees, the Cash Payment and Cheque Delivery counters of this office will be kept open till 4-30 p.m. on the 31st March 1969; no payment will be made after that hour.

9. Establishment Bill for March 1969, will be paid by this office by the 1st April 1969, instead of on the 31st March 1969.

AWARD

An application was filed by the workman against the employer, Messrs. Som Products Private Limited, under section 33A of the Industrial Disputes Act stating that he was employed as a permanent gate-keeper at 40 Sukia Street, Calcutta. He had been illegally refused pay for September 1968. The Company also altered the condition of the service.

Subsequently an application has been put in on behalf of the workman stating that he did not authorise anybody to file the case against the Company and he has no claim or dispute against the latter. In view of such written application filed by the workman concerned, there is no manner of doubt that there is no longer any dispute between the parties. Hence this application is disposed of and a 'No-dispute' award passed by the Tribunal.
